Hoffner

From Page 1B

illegal immigration.

Hoffner remains stunned that Arias would consider any interviews at all, even though critics said she enjoyed the attention.

"The jury was getting the case on the penalty phase, and she could have been sent to death row," he said. "You usually wait for appeals to play out before you grant an interview. But she wanted it, the jail allowed it, and it all came together for a perfect storm.

A classroom area was converted to a media room for the Arias interview, Hoffner said.

"She was very comfortable doing the interview, and she was very aware of herself and the camera," he said. "She brought along a comb for her hair, she was in makeup from the television interview, and she wore a white sweater to the jail area (to cover her jail uniform). The one thing, she asked that she not be photographed below the waist, so you couldn't see that she was shackled."

Arias didn't come across as a cold-blooded murderer during the interview, Hoffner said. "She's very polished and is good in front of the camera. She tells good stories and gives good answers. She was a good match for the prosecutor," he said.

Initially, Arias said she wanted the death penalty and quickly end things. But

Series

From Page 1B

she later said she had talked to her family, who convinced her that she could do good

The penalty phase resulted in a hung jury, Hoffner said. "They will reconvene a new jury. They could proceed with a new penalty phase, deciding between life or death. Or the prosecutor could take death off the table and she would go to jail for the rest of her life," he said.

tence, the judge has indicated the prisoner could become eligible for release after 25 years, Hoffner said.

For perspective on the case, Arias was 28 years old when the crime occurred. This week, she turns 33. Her critics, including Alexander's family and friends, say she should suffer death just as she inflicted a horrible death

old, said the Arias case has become a bizarre life experi-

ence to tell the story," he said. "You work not to get caught up in it, and you keep your perspective on the case.

Hoffner said he would consider collaborating again with Skoloff, despite the intense deadline and the bizareness of the Arias case.

'As far as an e-book, it's something I would do again. Brian and I make a good team," Hoffner said.

You can follow Randy Dockendorf on Twitter at twitter.com/RDockendorf

while in prison.

If Arias receives a life sen-

on the young man. Hoffner, himself 37 years

"It's been a good experi-

Herbie Hancock, Ray Charles, Stevie Wonder, Henry Mancini, Doc Severinsen, Joe Lovano, and many others. As of 2009, he became a regular member of the Award-Winning Smithsonian Jazz Masterworks Orchestra, and has been the first call saxophonist with National Symphony Orchestra for many

Additionally, Vadala is the director of Jazz Studies and saxophone professor at the University of Maryland. He often serves as an artist in residence clinician and has conducted 46 All-State, 1 All-Eastern, as well as numerous All-County and All-District Jazz Ensembles throughout

the U.S. and Canada. Following the July 16 opening concert, the YAA Summer Pops Series will continue with performances by Rockerville on July 23; The Almost Famous Bassoon Band on July 30; and the Hegg Brothers Duo on Aug.

All concerts will take place at Yankton's Riverside Park amphitheatre at 8 p.m. and are free to the public. If there is inclement weather, concerts will be held at Summit Activities Center Theater, 1801 Summit Street, Yankton. For late changes due to weather, tune in to area radio stations and check postings at www.YanktonAreaArts.org.

The Yankton Area Summer Concert series is sponsored by Yankton Area Arts and the City of Yankton. For more information, call Yankton Area Arts at 605-665-9754.
