## S.D. Mines Officially In D-2

RAPID CITY, S.D. (AP) — South Dakota School of Mines & Technology has been accepted as a full NCAA member for Division II athletics

The Rapid City school received word from the association on Friday, marking the end of a four-year transition from the National Association of Intercollegiate Athletics. The Hardrockers have been part of the NAIA for 50 years.

The change takes effect Sept. 1, making School of Mines student-athletes eligible for post-season competition and postseason academic and athletic awards.

School of Mines President Heather Wilson says it's a great day for the Hardrocker family, and the change will help the school attract academically and athletically qualified student-

The school applied and was accepted into the NCAA Division Il level in 2010 with nearly a year of preparation followed by two candidacy years.

# **Rick Heller Named Iowa Coach**

SILVIS, III. (AP) — The Iowa Hawkeyes have chosen a familiar coach to help resurrect their baseball program. lowa announced Friday that former Northern Iowa coach Rick Heller has been hired to replace Jack Dahm.

Heller, a native of Eldon, Iowa, will leave Indiana State after four straight winning seasons. Heller had previously spent 10 seasons at Northern Iowa, winning 270 games before the school dropped baseball after the 2009 season.

Heller played at Upper Iowa and later spent 12 seasons as

"He has a plan that transfers well to lowa. Rick knows the state of Iowa, and Iowa knows Rick, His roots run deep, and he has earned the trust and respect of the baseball community in the state, as well as across the country," lowa athletic director Gary Barta said.

Heller will be facing quite the challenge at lowa though. Even though the Hawkeyes are the only Division I program left in the state. they've yet to discover the consistent success that's eluded the program for decades.

Dahm was fired in May after 10 seasons and just three trips to the Big Ten tournament.

The Hawkeyes went 22-27 last season, their fifth losing one in six years.

The opportunity to come back to the state and the challenge of turning the lowa baseball program into a championship-caliber team is something I've dreamed about," Heller said.
