There are no exceptions.

KNOX C. SHERIFF'S REPORT

On July 11, 2013, at approximately 8:45 a.m., the Knox County Sheriff's Department was called in reference to a suspicious white van with Iowa license plates near the Wausa, Neb., area. The reporting party stated the vehicle was parked oddly and observed a male subject exit the ditch area on the county oil west of Wausa.

A deputy responded to the area and observed a white van with Iowa license plates traveling near the intersection of Webster and Vivian streets. The deputy conducted a traffic stop and spoke to the driver, who was identified as Christopher Degen. The driver stated he was cutting asparagus from the ditch and deputy confirmed his story. After conducting a driver's license check on the driver, it was determined he did not have a driver's license. He was issued a citation for operating a motor vehicle without an operator's license.

Shakopee Mdewakanton Donates To Santee Programs

PRIOR LAKE, Minn. — The Shakopee Mdewakanton Sioux Community (SMSC) will donate \$550,000 to the Santee Sioux Nation of Nebraska for several community improvement and infrastructure development projects.

The funds will be used for a youth program, a new swimming pool, the tribe's buffalo ranch, a Dakota language program, energy assistance, the fire department, and the tribal day care facility. This grant is part of the SMSC's most recent round of more than \$10 million in grants awarded to 18 American Indian tribes in eight states.

The Santee Sioux Nation has created programs and opportunities for its youth to ensure they have access to activities on the reservation. "It is our goal to keep our youth active throughout the year to become alcohol and drug free," wrote Chairman Roger Trudell in the tribe's grant request letter.

Specifically, the SMSC grant will benefit the following:

- Youth Development Program — \$100,000 to fund a teen center and youth activities such as basketball camps, tee ball, football, swimming, teen dances, movie nights, and track.
- New outdoor pool — \$250,000 for a new 80 x 40-foot pool, which will replace a smaller, aging one that would require major reconstruction in order to operate safely.
- The Santee Buffalo Program — \$50,000 for fencing of a new pasture for the buffalo herd next to the tribe's Ohiya Casino and Resort.

- Dakota Language Program — \$50,000 to benefit teaching of the Dakota language to tribal members on the reservation and in Sioux City, Iowa, where many tribal members reside. The program also provides workshops, conferences, continued training, presentations, and traditional activities for the community.
- Heating assistance — \$50,000 to help provide heat to tribal members needing assistance during the cold winter months.
- Santee Sioux Nation Fire Hall — \$25,000 to assist with equipment upgrades.
- Santee Day Care — \$25,000 to assist with facility repairs and additional staffing at the only day care facility on the reservation.
