Work will soon begin on the decorative parapet wall above the third floor balcony. Modern techniques will be used to remedy the historical problems that have plagued the structure in this area. Passersby will be able to see the work being done, but when completed the repairs will not be noticeable. Don't forget to participate in our Mead Magnet contest. When you see a magnet of the Mead Building around Yankton and Yankton County, take a picture and post it to our Facebook page (give us its location) and be entered into a drawing for \$50 — drawings held at the end of July and August. Check out www.meadbuilding.org. Here you can make monetary donations to the project. If you have questions or would like more information about the project, please contact the Dakota Territorial Museum at 610 Summit Street (in Westside Park), on Facebook, or call us at 605-665-3898.
