Kurth, even in loss, was proud of how his boys' battled.

"It's baseball, the game is all about life lessons," he said. "Sometimes you catch a break, sometimes you don't. Sometimes you make your own breaks, sometimes you don't.'

Ranek, too, was proud of his boys. But he knows, they must stop committing errors if they want a shot at hoisting the trophy.

We have resilience, almost like the comeback kids," he said. "We kind of bury ourselves every once and awhile, but we've been able to come out on top.'

Chase Kortan believes his team needs more confidence if they will continue to advance.

"We need to have more confidence in ourselves," he said. "We will clean it up, we just need to have confidence.'

He also feels if they do play a clean contest, Tabor has a great shot at a championship.

"Our mindset is always about winning," he said. "Madison is playing some very good ball. We need to play a clean game all around, and let our play do the rest."

Tabor will play Madison today (Tuesday) at 1 p.m. to decide the State 'B' Legion championship at Leonard Cimpl Park in Tabor. Post 183 will have to beat Madison twice to earn a state title.

to the best driver in the fastest car on one day only.

That could be Gordon, if he drives anything like he did at Indy.

Although he's struggled with restarts for several years, and did most of Sunday, he finally nailed one when he needed it most.

A late caution gave him one shot at taking the lead away from teammate Kasey Kahne, and he figured a perfect strategy as they headed toward the green flag. Kahne had given Gordon the outside lane, and he knew if he was alongside Kahne in the

corner, he'd be able to hold him down and loosen Kahne's car.

"I treated him like a competitor at that point, he might not have liked it," Gordon said. "When it comes down to the end of a race, we're here to win.'

The victory was the 90th of Gordon's career, and he's just the third driver to hit that mark. Although it was once believed he might chase Richard Petty's record of 200 wins, David Pearson's 105 is suddenly in reach depending on how long Gordon wants to
