# Comic Book Creators Coming To Library

On July 15, the Yankton Community Library is hosting two comic book creators as part of the superhero-themed summer reading program. There are two presentations, one at 11 a.m. and another at 2 p.m.

Sean E. Williams is the author of "Fairest," "Artful Daggers," "Sensation Comics," "The Vampire Diaries" and more. Eric Gapstur has illustrated "Batman," "The Flash" and "Green Arrow" for DC Comics and "Green Hornet" for Dynamite. These two artists will share stories of their work and inspiration and show how comic books

are created. They will also be available to do sketches and sign autographs after the presentations.

These sessions are intended for upper elementary aged children, teens and adults.

There is a special follow-up activity for teens on Saturday, July 18. After learning all about the creative process of making comic books from Williams and Gapstur, teens are going to make their own comic books. All materials are provided.

For more information about these programs, contact the library at 668-5275

# Yankton Co. Veterans Service Hours Changing

Effective Aug. 1, the Yankton County Veterans Service Office will be open five days a week. The hours of operation will be 10 a.m.-noon and 1-5 p.m.

The Veterans Service Office had previously consisted of a 19-hour work week, which allowed for 2 1/2 days of access for the county veterans. This increase to 30 hours per week will allow veterans a greater access to the Veterans Service Office, especially those veterans who perform shift work.

The county veterans service officer Michael F.

McDonald said, "I would like to applaud all the members of the Yankton County Commission for their foresight in granting our veterans more access to the Veterans Service Office. I intend to continue to provide my best efforts in serving the best interests of veterans and assist them when they need help navigating the paperwork and procedures utilized by the VA. I take this extension of work hours by the county commissioners as a vote of confidence from them, and I will try my best not to let them down."

# YAA To Hold Meridan Diner

Yankton Area Arts will be hosting the second annual Meridan Diner en Blanc to be held Saturday, July 18, on the historic Meridan Bridge in Yankton.

market in Paris, stopping at several vendors to get your complete meal.

Social hour will begin at 6 p.m. The Picnic Basket presentation will happen at 7 p.m. Dancing to the Bridge City Big Band from 8-10 p.m. will conclude the evening festivities.

## Highway 50 Construction To Cause Delay

The South Dakota Department of Transportation says surface milling and construction of center turn lanes on Highway 50 between Tabor and Yankton began Monday, July 6.

The cold milling operation is expected to take two to three weeks followed by the asphalt surfacing, which is expected to be complete by the end of August.

The milling and surfacing work is being done on Highway 50 from the south edge of Tabor to Broadway Avenue in Yankton and on Highway 314 from Yankton west to Highway 50. Center turn lanes will be constructed at at 430th and 434th Avenues on Highway 50.

Traffic will be reduced to one lane during working hours and guided through the project with the use of flaggers and a pilot car and motorists can expect delays up to 10 minutes.

Spencer Quarries, Inc. from Spencer is the prime contractor on the \$4.8 million contract.

For more information, contact Greg Rothschild with the South Dakota Department of Transportation at 605-668-2929.
