Friday.

victory

Dimock-Emery jumped out to an early 5-0 lead and later had an 8-3 cushion, before Wynot closed the gap to 8-7 in the bottom of the seventh inning. Two runs in the eighth and one more in the ninth, however, sealed the victory

Sure, Wynot's players were a little frustrated later that they couldn't make the full comeback against a top-5 team, but any lingering disappointment quickly evaporated as the two teams gathered for drinks after the game.

reason why Dimock-Emery has aspirations for a state championship – it won the title in 2010.

It's the same legitimate goal for another Sunshine League team, Alexandria, the top-ranked squad in Class B which has beaten Dimock-Emery twice this season. In all, the Sunshine League has three top-10 teams (Parkston Mudcats are No. 9), while the South Central League has No. 3 Crofton and No. 7 Wynot.

As recent history has shown, there's a good chance the state championship will come out of one of those two leagues. "From top to bottom, these are two very good

leagues," Bartscher said.

"You never have a shoe-in

"The number one seed can go down at any time, and it's not a surprise if a seven or eight (seed) makes it to state. And in the world of amateur baseball, there are few

secrets. Particularly between

leagues such as the Cornbelt, Sunshine, South Central and State Line, which occasionally face each other. The proximity between the towns in those leagues also gives players an easy chance to see their competi-

tion, Johnson said. 'When they had the districts in Freeman, we want to watch," he said, referring to the 2014 District 6B Tournament, which was a short drive for the Dimock-Emery

players. "It's nice to get out of your league to see what's out And typically, what's out

there are other competi-

tive teams and competitive

games. Just like the one played Saturday night in Wynot.

for the Raptors.

'We've had some good battles with Wynot over the last eight or nine years," Bartscher said. "We know each other very well."
