

# I'm ready to go to work for you.

~ Dennis Daugaard

I've had a lot of jobs in my lifetime and  
I'm here to ask for another one.

*I'd like your vote for Governor  
this Tuesday.*

Through the years, I've been a banker, an  
attorney and Lieutenant Governor. But I've  
also been a bus driver, a plumber, a farmer  
and a water-tower painter.

I know the value of every kind of job and  
creating more jobs will be my number  
one priority as Governor.
