Are You Living In A Muddy World?

BY PASTOR RANDY TRAPP

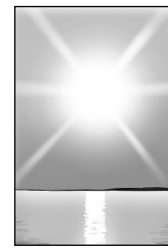

Children's Pastor, Assembly of God

Mud from the semi flew into his windshield, obstructing his view. The windshield wipers only made the situation worse. Pulling over was not an option as he had to be at work in 15 minutes, so on he treaveled.

More mud, more wipers, less view. He now had his side window open, attempting to view on coming traffic.

Just that fast the other car came out of now where.....

In a world that distributes mud, why is pruity so important? (I'm equating mud as sin & filth) Why is having a clean windshield important?

REFLECTIONS

even have the ability to see what's real or true.

When we admit we're a sinner, believe Jesus died to erase those sins and confess

The above story shows the obvious.

How each person views life, determines how we live that life. In John 10:10 Jesus said, "I have come that they may have life, and that they may have it more abundantly." The life Jesus speaks of is the only true life. It's the only real view. We are born in sin. Our view of life is marred by sin. We don't

Jesus as Lord and Savior, we become "Born Again".

Only then do we have new eyes to see the "real" life.

How each person views life, determines what we allow in our life. As followers of Christ (Christians) we're to keep our new windshield clear of any mud.

Philippians 4:8 says: Whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is gracious, if there is any excellence, if there is anything worthy of praise, think about these things.

He is a wonderful God, a loving caring God, who loves us very much. Want to view that love? Want to see the "real" life. Meet Jesus at the cross.
