Boat Ramps, Campgrounds At Lake Francis Case Closed

OMAHA, Neb. — Heavy rain and inflows have pushed Lake Francis Case, behind Fort Randall Dam, high enough to close some boat ramps, campgrounds and roads. The elevation of the reservoir is expected to reach 1367.8 feet by next week.

Because of rising water at Gavins Point Dam, releases from Fort Randall have been cut from 6,000 cubic feet per second (cfs) to 1,000 cfs.

The following campgrounds in Buffalo and Lyman counties that are operated by the U.S. Army Corps of Engineers will be closed due to flooding: Old Fort

Thompson Recreation Area; Spillway Recreation Area; Left Tailrace Recreation Area; and Right Tailrace Recreation Area.

The South Dakota State Parks Division has reported that boat ramps at some parks are closed already, with others likely to follow. Some areas have secondary, high water ramps that will be in service.

American Creek Campground and North Point Campground will likely be flooded and closed. For site specific information about campground and boat ramp closures, contact the South Dakota staff at the park entrance, or call 605-773-3391.

People visiting the reservoir should be cautious around flooded areas because shorelines may be undercut and could fall into deep water without warning. Those driving in the area should be aware of possible road closures and avoid driving through flooded roadways.

For the latest water level information, visit: <http://www.nwd-mr.usace.army.mil/rcc/index.html> or call the Fort Randall Project Office at 605-487-7845. Additional information about South Dakota river and lake conditions is available from the S.D. Game Fish and Parks at <http://gfp.sd.gov/>, or by calling 800-710-2267.

RECOUNT

recount. He had no precedent to follow in his 21 years with the Vermillion finance office.

Everything went well during the recount, he said. While he now has the experience under his belt, he's willing to let this be a one-time experience.

"If this doesn't happen again for another 20 years, I'll be happy," he said.

Grayson could not be reached for comment Tuesday. Edelen said she wasn't surprised at the final results.

"It was probably what I expected," she said. "I wasn't expecting some ballots without the proper stamps, but I wasn't surprised at the outcome."

Edelen said she didn't regret asking for the recount. She saw the possibility of a different outcome, and she wanted to leave no doubts about the final result.

"It was probably a long shot," she said. "It was something that I needed to do, and I was encouraged by friends and family."

Edelen has served in the South Dakota Legislature as well as on the Vermillion City Council. At this point, she doesn't have any immediate plans to

run again for an alderman seat. "I would be running against Jenny French (in a future election)," she said. "She is my friend, and that's not good protocol (to run against a friend)."

Edelen indicated she doesn't plan to appeal the election results. While disappointed she lost, Edelen said she enjoyed and appreciated her time in office.

"It was a wonderful experience to represent the people of the Central Ward on the City Council," she said.

Tuesday's recount finalizes the Vermillion City Council, which has seen a number of changes with the recent election.

Jack Powell won election as the new mayor, replacing Dan Christopherson who didn't run for another term. Tom Davies, a former councilman, won Powell's seat in the Northwest Ward.

In the Southeast Ward, Dennis Zimmerman won the seat formerly held by Ray Hofman, who instead chose to run for the Clay County register of deeds.

Hofman won the Democratic primary and advances to the November general election.

In the Northeast Ward, incumbent Kent Osborne won re-election for a four-year term.

Staff writer Justin Rust contributed to this report.

YC Sheriff Not Involved With Fundraising

From P&D Staff Reports

The Yankton County Sheriff's Office is warning local businesses that it is not involved in an effort to secure funding for a D.A.R.E. booklet.

On Tuesday, Sheriff Dave Hunhoff issued a press release stating that it has come to his attention that local businesses are being solicited for money to print and distribute D.A.R.E. booklets to area youths.

"Information received by the sheriff's office indicates that the solicitor is making insinuations that we support these fundraising efforts by mentioning the name of the sheriff," he wrote. "The Yankton Sheriff's Office is not involved in any way with this fundraising effort."

According to Hunhoff, it is his policy to not use employee names or the name of the sheriff's office for the purpose of making private solicitations.
