Local Families Needed For Exchange Students

ASSE International Student Exchange Programs (ASSE), in cooperation with the local high school, is seeking local families to host boys and girls between the ages 15-18 from a variety of countries around the world.
Students come with an enthusiasm to practice their English and experience American culture — food, sports, shopping and more. They will also share their own culture with host families. Host families welcome these students into their family, not as a guest, but as a family member, giving both the students and families a rich cultural experience.
In addition, students have pocket money for personal expenses; and full health, accident and liability insurance. Students are academically selected into the program, and host families can choose their students from a wide variety of backgrounds, countries and personal interests.
To become a host family or to find out how to become involved with ASSE in your community, call our Midwestern Regional Office at 1-800-736-1760 or go to www.assehosts.com to begin your host family application. There are many students to choose from, so begin the process of welcoming your new son or daughter into your family today.

Tony Nicholls

Tony Lee Nicholls: December 14, 1963 - May 24, 2012
Born in Tacoma, Washington to Delyo Nicholls and Joann Coates, Tony grew up a Navy Brat with stops in Hawaii, Japan, Washington, and finally, Yankton, South Dakota where he attended high school. He excelled in football and track, and would end-up playing football at the collegiate level. His studies took him to the South Dakota School of Mines, where he earned a degree in Engineering.
In May of 1986, Tony married Leesa List and they began their new life together. They were proud parents of 3 wonderful children — Brandon, Tyler, and Katie. As a natural leader, Tony went onto a distinguished 9-year career in corporate management, working for SCI, Plexus, and MCMs. In 2002, weary from the "rat race" and ready for a challenge, he became the owner of Zamco Technologies. This allowed him to spend more time with his wife and kids. However, Leesa's tragic death in 2007 left the family broken, but thankfully, not destroyed. Though a piece will always be missing, healing happens slowly ... over time.
Tony would eventually meet and fall in love with Amy Getty from Burns, Oregon — a single-mom of two boys, Logan and Gabe. They were married in October of 2010. Tony was a "big" kid, so having a couple younger boys in the house again was no

problem. I'm not so sure that Katie would agree. Tony would continue to enjoy collecting and working on Mustang's, flying, running, and even saving cats from pipes. But mostly spending time with Amy and the kids.
On May 24, 2012, Tony was flying back to Boise from Lakeview, Oregon when he encountered severe weather conditions and his plane went down in the Hart Mountain area. Tragically, after a 5-day effort led by Lake County Search and Rescue, the plane was found and Tony hadn't survived. He died, just as he lived — doing what he loved ... Another missing piece. But remember, healing happens slowly ... over time.
Tony is survived by his wife, Amy Nicholls; daughter, Katie Nicholls; sons, Brandon Nicholls, Tyler Nicholls, Logan Getty, Gabe Getty; mother, Joann Coates; sister, Debbie & Ernie Osborn; brother, Mikal & Teresa Nicholls; and numerous nieces and nephews.
Please join us in celebrating Tony's life: Saturday, June 9, 2012 at 3 p.m. at Meridian Friends Church, 1201 W. Pine Ave., Meridian, Idaho.
