Johnson Staffer To Hold Outreach In Yankton

SIOUX FALLS - Sen. Tim Johnson (D-S.D.) has announced that Shad Christman of his Sioux Falls office will hold a Constituent Case Day in Yankton on Wednesday, June 5. He will hold office hours from 11 a.m.noon at Muggsy's Sub Galley.

"Many South Dakotans are unable to travel to my offices in Rapid City, Aberdeen or Sioux Falls. Outreach Days help me remain in touch with the concerns of South Dakotans," Johnson said. "South Dakotans are my number one priority, and I want to make sure that everyone regardless of where they live has the opportunity to meet personally with my staff."

Johnson has always encouraged South Dakotans to call, write or visit his Service Offices in Rapid City, Aberdeen, Sioux Falls or Washington, D.C. to share their concerns. South Dakotans may also call John-son's office toll-free by dialing 1-800-537-0025 or e-mail at

AARP To Hold Forum In Yankton Wednesday

SIOUX FALLS — AARP South Dakota is hitting the road this summer, inviting South Dakotans to weigh in on the future of Medicare and So-cial Security. One of the 11 meetings will be held Wednesday, June 5, from noon-1 pm at Minerva's in Yankton.

Community conversations will focus on the challenges facing both Medicare and Social Security in the coming years, and the solutions needed to protect and strengthen the health and financial security South Dakotans rely on in their retirement years.

Social Security and Medicare are promises our country made to current and future retirees," said Sarah Jennings, state director for AARP South Dakota. "Some in Washington believe cutting benefits is the way to address the long-term challenges facing the programs that so many of our neighbors across the state rely on in retirement. But AARP believes older South Dakotans deserve responsible commonsense solutions, not harmful cuts.'

At the community conversation in Yankton, AARP will be asking residents to weigh in various proposals which will impact both current and future Medicare and Social Security beneficiaries.

There is no cost to attend, and AARP membership is not necessary to participate, but registration is required as seating is limited. Interested individuals should call 1-877-926-8300 to register.

City: Check Property For Tall Grass And Weeds

The City of Yankton reminds property owners to check their property for weeds and tall grass.

Overgrown grass and weeds aren't just unsightly; they're a violation of city ordinance.

Grass should be maintained at 8 inches or lower and yards free of noxious weeds. Weeds must be cut or chemically treated.

Properties with grass not maintained at 8 inches or lower or containing noxious weeds may be cut by the City of Yankton and the cost of maintenance assessed to the property.

The local Yankton Sertoma Club held its annual banquet on Saturday, May 4. The 2012-2013 Sertoman of the Year, which is the highest honor for a club member, was presented to Jason Ravnsborg. Jason was presented the award for his efforts in organizing and administering ticket sales for the club's two large fundraisers. Jason was able to motivate the club members to record ticket sales for both events. Without Jason's commitment to the club and the two fundraisers, the local Sertoma Club would not be in a position to donate money to local groups who are making Yankton a better place to live, work, and play. Through the years, the Yankton Sertoma Club has given back more than \$500,000 to the local community. Thank you Jason for your efforts as a Sertoma Club member and your efforts will have a great impact on the Yankton community.
