# Cramer-Kenyon Home Garden Party To Be Held On Sunday

The annual Cramer-Kenyon Home Garden Party will be held Sunday, June 9, running from 1-4 p.m. at 509 Pine Street in Yankton.

The Eastlake style Victorian home is available to tours from Memorial Day until Labor Day, but this special annual event focuses on the Dorothy Jencks garden, the gazebo and the beauties of the plantings lovingly tended by Board members.

Built in 1886, the Home remains a premier example of the style of its day, but is constantly enhanced by the care of the Board members and has recently added an outdoor stair lift to accommodate visitors with handicaps. The greenery and growth should be at full display by the date set for the garden party.

Visitors to the Sunday afternoon event will be greeted by Board members dressed in attire of the period in which the home was built and first occupied and they will be urged to enjoy lemonade and light refreshments. Board members are providing homemade cookies and treats and visitors are encouraged to bring their cameras to commemorate this festive gathering.

The gates will be opened on the Pine Street side and from the parking lot of the Sacred Heart School on Capitol Street at 1 p.m. From 1-2 p.m., tours of the historic gardens, and a brief tour of the house will be featured. At 2 p.m., a glimpse into the lives of the original families during their residence in the home will be presented, featuring Board members and guaranteed to capture your imagination. Beginning at 2:30 p.m., there will once again be limited tours of the first floor of the home, walking tours locating historic homes of the neighborhood with Anne Swift, Board President, and garden tours of the two city lot grounds surrounding the home with certified arborist Stan Hoffart.

The Cramer-Kenyon Home Board of Directors is indebted to Margaret Lyons for information disclosed during the home tour as well as to the influence of Dorothy Jencks for information shared on the garden tour, which showcases varieties of plants which might have grown during the Victorian period.

There is no admission price for this event; donations will be gratefully accepted. Seating is available, but those who come to visit and spend the afternoon are urged to bring lawn chairs or blankets for their own comfort.

**Vermillion Public  
Library To Present  
'American  
Serengeti' On  
June 18**

**VERMILLION** — The Vermillion Public Library, located at 18 Church Street, will show the film "American Serengeti" as part of its 2013 Eco Films series on Tuesday, June 18, at 7 p.m. The showing is free and open to the public.

America's Great Plains were once a vibrant grassland ecosystem, akin to the great savannahs of Africa. Here, a mere 200 years ago, Lewis and Clark stepped onto this fertile landscape and were awestruck by what they saw — herds of bison, packs of wolves, grizzly bears, prairie dogs, and more. Since Lewis and Clark's time, many of these iconic prairie creatures have all but disappeared.

Now, one of the most ambitious conservation projects in American history is underway to create a thriving 3-million-acre wildlife reserve that will restore America's Serengeti. Filmed over 2 years in stunning high-definition, American Serengeti chronicles the massive restoration project and, through computer-generated imagery, will fast forward to the future when vast herds of American wildlife will roam the plains once again.

The library will also present "Living Downstream" on July 16 and "Great Plains: America's Lingering Wild" on Aug. 20.

## Poker Run To Raise Funds For Tabor Fireworks

**TABOR** — A poker run will be held Saturday, June 8, for the Rich Schild Memorial Fireworks.

The event will start at the Keg Bar in Tabor, where registration will begin at noon.

All proceeds from the event will go toward the fireworks to be held after the June 20 ball game at Leonard Cimprl Field in Tabor.
