NOTICE OF APPLICATION
NO. 7827-3 to Appropriate Water

Notice is given that Maxwell Colony, c/o Mark Hofer, 42805 Maxwell Rd, Scotland SD 57059 has filed an application for a water permit to appropriate 0.33 cubic feet of water per second from one well to be completed into the Lower James:Missouri Aquifer (165 feet deep) located in the Government Lot 4 (SW 1/4 SW 1/4) Section 31-T97N-R57W for commercial use in a hog confinement facility.

Pursuant to SDCL 46-2A-2, the Chief Engineer recommends APPROVAL of Application No. 7827-3 because 1) unappropriated water is available, 2) existing rights will not be unlawfully impaired, 3) it is a beneficial use of water, and 4) it is in the public interest. In accordance with SDCL 46-2A-23, the Chief Engineer will act on this application, as recommended, unless a petition is filed opposing the application or the applicant files a petition contesting the Chief Engineer's recommendation. If a petition opposing the application or contesting the recommendation is filed, then a hearing will be scheduled and the Water Management Board will consider this application. Notice of the hearing will be given to the applicant and any person filing a petition.

Any person interested in opposing or supporting this application or recommendation must file a written petition with BOTH the applicant and Chief Engineer. The applicant must file a petition if contesting the Chief Engineer's recommendation. The Chief Engineer's address is "Water Rights Program, Foss Building, 523 E Capitol, Pierre SD 57501 (605 773-3352)" and the applicant's mailing address is given above. A petition filed by either an interested person or the applicant must be filed by July 1, 2013.

The petition may be informal, but must include a statement describing the petitioner's interest in the application, the petitioner's reasons for opposing or supporting the application, and the signature and mailing address of the petitioner or the petitioner's legal counsel, if legal counsel is obtained. Contact Eric Gronlund at the above Water Rights Program address to request copies of information pertaining to this application. Steven M. Pimer, Secretary, Department of Environment and Natural Resources.

Published once at the total approximate cost of \$25.82.

NOTICE OF APPLICATION
NO. 7824-3 to Appropriate Water

Notice is given that Gary Smith, PO Box 151, Mission Hill SD 57046 has filed an application for a water permit to irrigate 55.9 new acres. Water Permit No. 7014-3 appropriates 2.0 cubic feet of water per second from one well completed into the Lower James:Missouri Aquifer (222 feet deep) located in the N 1/2 SW 1/4 Section 13 for irrigation of 76 acres located in the N 1/2 SW 1/4, SE 1/4 SW 1/4 Section 13; all in T94N-R55W. This application is to irrigate 55.9 new acres located in the W 1/2 SW 1/4, SE 1/4 SW 1/4 Section 13-T94N-R55W. This will allow the pivot to make a complete rotation. This application, if approved, does not authorize any increase in the diversion rate.

Pursuant to SDCL 46-2A-2, the Chief Engineer recommends APPROVAL of Application No. 7824-3 because 1) unappropriated water is available, 2) existing rights will not be unlawfully impaired, 3) it is a beneficial use of water, and 4) it is in the public interest. In accordance with SDCL 46-2A-23, the Chief Engineer will act on this application, as recommended, unless a petition is filed opposing the application or the applicant files a petition contesting the Chief Engineer's recommendation. If a petition opposing the application or contesting the recommendation is filed, then a hearing will be scheduled and the Water Management Board will consider this application. Notice of the hearing will be given to the applicant and any person filing a petition.

Any person interested in opposing or supporting this application or recommendation must file a written petition with BOTH the applicant and Chief Engineer. The applicant must file a petition if contesting the Chief Engineer's recommendation. The Chief Engi-

NOTICE OF APPLICATION
NO. 7830-3 to Appropriate Water

Notice is given that Tom Bares, 30736 416th Ave, Tyndall SD 57066 has filed an application for a water permit to appropriate 1.78 cubic feet of water per second from two wells to be completed into the Codell Aquifer (280 feet deep) located in the N 1/2 NW 1/4 Section 30 for irrigation of 96 acres located in the NW 1/4 Section 30; all in T94N-R59W. The applicant is requesting a diversion rate greater than the statutory limit.

Pursuant to SDCL 46-2A-2, the Chief Engineer recommends APPROVAL of Application No. 7830-3 because 1) unappropriated water is available, 2) existing rights will not be unlawfully impaired, 3) it is a beneficial use of water, and 4) it is in the public interest. In accordance with SDCL 46-2A-23, the Chief Engineer will act on this application, as recommended, unless a petition is filed opposing the application or the applicant files a petition contesting the Chief Engineer's recommendation. If a petition opposing the application or contesting the recommendation is filed, then a hearing will be scheduled and the Water Management Board will consider this application. Notice of the hearing will be given to the applicant and any person filing a petition.

NOTICE OF HEARING on
Application No. 7828-3 to
Appropriate Water

Notice is given that Ryken Family Limited Partnership, c/o Larry Ryken, PO Box 603, Yankton SD 57078 has filed an application for a water permit to appropriate 2.0 cubic feet of water per second from one well (110 feet deep) located in the NE 1/4 NE 1/4 Section 3 for irrigation of 140 acres located in the NE 1/4 Section 3; all in T94N-R54W.

SDCL 46-2A-4(10) provides that "if the applicant does not contest the recommendation of the Chief Engineer and no petition to oppose the application is received, the Chief Engineer shall act on the application pursuant to the Chief Engineer's recommendation and no hearing may be held before the board, unless the Chief Engineer makes a finding that an application, even if uncontested, presents important issues of public policy or public interest that should be heard by the board." In this case, the Chief Engineer finds that this application presents important issues of public interest that should be heard by the Water Management Board.

Pursuant to SDCL 46-2A-2, the Chief Engineer recommends DEFERRAL of Application No. 7828-3 until a test hole is completed and the log provided to the Water Rights Program so that the aquifer can be determined and an evaluation conducted regarding the availability of unappropriated water and potential impacts to existing users from the aquifer which are criteria set forth in SDCL 46-2A-9 for when a water right permit may be issued. The

2010 Legal and Public Notices

applicant shall have one year to submit a test hole log. Failure to submit a test hole log within one year will result in the application being brought before the Water Management Board for denial.

The Water Management Board will consider this application at 10:00 a.m. on July 11, 2013 in the Matthew Training Center, Joe Foss Bldg, 523 E. Capitol Ave, Pierre SD. The Chief Engineer's recommendation is not final or binding upon the Board. The Board is authorized to 1) approve, 2) approve with qualifications, 3) defer, or 4) deny this application based on the facts presented at the public hearing.

Any interested person who intends to participate in the hearing shall file a petition to oppose or support the application and the petition shall be filed with BOTH the applicant and Chief Engineer. The applicant must also file a petition if opposed to the Chief Engineer's recommendation. The Chief Engineer's address is "Water Rights Program, Foss Building, 523 E Capitol, Pierre SD 57501 (605 773-3352)" and the applicant's mailing address is given above. A petition filed by either an interested person or the applicant must be filed by July 1, 2013. The petition may be informal, but shall be in writing and shall include a statement describing the petitioner's interest in the application, the petitioner's reasons for opposing or supporting the application, and the signature and mailing address of the petitioner or the petitioner's legal counsel, if legal counsel is obtained. The hearing is an adversary proceeding and any party has the right to be present at the hearing and to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised at the hearing and decisions of the Board may be appealed to the Circuit Court and State Supreme Court as provided by law.

The July 11, 2013 hearing date will be automatically delayed for at least 20 days upon written request to the Chief Engineer from the applicant or any person who has filed a petition to oppose or support the application. The request for an automatic delay must be filed by July 1, 2013. If an automatic delay is requested, the hearing will be rescheduled for a future Board meeting and personal notice will be provided to all petitioners regarding the time, date and location.

Contact Eric Gronlund by July 1, 2013 at the above Chief Engineer's address to request copies of the staff report, recommendation, application or other information. Notice is given to individuals with disabilities that this hearing is being held in a physically accessible place. Please notify the Department of Environment and Natural Resources at least 48 hours before the hearing if you have a disability for which special arrangements must be made at the hearing. The telephone number for making arrangements is (605) 773-3352.

Under SDCL 1-26-17(7) notices must state that "if the amount in controversy exceeds \$2,500.00 or if a property right may be terminated, any party to the contested case may require the agency to use the Office of Hearing Examiners by giving notice of the request to the agency no later than ten days after service of a notice of hearing issued pursuant to SDCL 1-26-17." This is a Notice of Hearing, service is being provided by publication, and the applicable date to give notice to the Chief Engineer is July 1, 2013. However, since this particular matter is a water permit application and not a monetary controversy in excess of \$2,500.00 or termination of a property right the Chief Engineer disputes the applicability of this provision and maintains that the hearing must be conducted by the Board.

As applicable, the following provides the legal authority and jurisdiction under which the hearing will be held and the particular statutes and rules pertaining to this application: SDCL 1-26-16 thru 1-26-28; SDCL 46-1-1 thru 46-1-9, 46-1-13 thru 46-1-16; 46-2-3.1, 46-2-9, 46-2-11, 46-2-17; 46-2A-1 thru 46-2A-12, 46-2A-14, 46-2A-15, 46-2A-20, 46-2A-21, 46-2A-23; 46-5-1.1, 46-5-2 thru 46-5-26, 46-5-30.2 thru 46-5-30.4, 46-5-31 46-5-32 thru 46-5-34.1, 46-5-38 thru 46-5-39, 46-5-46, 46-5-47, 46-5-49; 46-6-1 thru 46-6-3.1, 46-6-6.1, 46-6-10, 46-6-13, 46-6-14, 46-6-21, 46-6-26; and Board Rules ARSD 74:02:01:01 thru 74:02:01:25.02; 74:02:01:35.01.

Steven M. Pimer, Secretary, Department of Environment and Natural Resources.

House Passes Far-Reaching Anti-Abortion Bill

WASHINGTON — The Republican-led House on Tuesday passed a far-reaching anti-abortion bill that conservatives saw as a milestone in their 40-year campaign against legalized abortion and Democrats condemned as yet another example of the GOP war on women.

The legislation, sparked by the murder conviction of a Philadelphia late-term abortion provider, would restrict almost all abortions to the first 20 weeks after conception, defying laws in most states that allow abortions up to when the fetus becomes viable, usually considered to be around 24 weeks.

It mirrors 20-week abortion ban laws passed by some states, and lays further groundwork for the ongoing legal battle that abortion foes hope will eventually result in forcing the Supreme Court to reconsider the 1973 Supreme Court decision, Roe v. Wade, that made abortion legal.

It passed 228-196, with 6 Democrats voting for it and 6 Republicans voting against it.

In the short term, the bill will go nowhere. The Democratic-controlled Senate will ignore it and the White House says the president would veto it if it ever reached his desk. The White House said the measure was "an assault on a woman's right to choose" and "a direct challenge to Roe v. Wade."

But it was a banner day for social conservatives who have generally seen their priorities overshadowed by economic and budgetary issues since Republicans recaptured the House in 2010.

Penny Nance, president of Concerned Women for America, called it "the most important pro-life bill to be considered by the U.S. Congress in the last 10 years."

Marjorie Dannenfeiser, president of the Susan B. Anthony List — a group that seeks to eliminate abortion — said the legislation differed significantly from past abortion measures in that it restricts, rather than merely controls, the abortion procedure.

Democrats chided Republicans for taking up a dead-end abortion bill when Congress is doing little to promote jobs and economic growth. Democratic leader Nancy Pelosi called it "yet another Republican attempt to endanger women. It is disrespectful to women. It is unsafe for families and it is unconstitutional."

Democrats also said the decision by GOP leaders to appease their restless base with the abortion vote could backfire on Republican efforts to improve their standing among women.

"They are going down the same road that helped women elect Barack Obama president of the United States," said Eleanor Holmes Norton, the District of Columbia's delegate to the House. The bill is so egregious to women, said Rep. Louise Slaughter, D-N.Y., that women are reminded that "the last possible thing they ever want to do is leave their health policy to these men in blue suits and red ties."

Democrats repeatedly pointed out that all 23 Republicans on the Judiciary Committee that approved the measure last week on a party-line vote are men.

Republicans countered by assigning women to conspicuous roles in managing the bill on the House floor and presiding over the chamber. Republican women were prominent among those speaking in favor of the legislation.

The bill, said Rep. Marsha Blackburn, R-Tenn., who was assigned to manage the bill despite not being on the Judiciary Committee, would "send the clearest possible message to the American people that we do not support more Gossnell-like abortions."
