NOTICE OF APPLICATION NO. 7835-3 to Appropriate Water

Notice is given that Don O'Connor, 46874 311th St, Burbank SD 57010 has filed an application for a water permit to appropriate 1.78 cubic feet of water per second from one well to be completed into the Missouri:Elk Point Aquifer (100 feet deep) located in the NE 1/4 NW 1/4 Section 33 for irrigation of 47 acres located in the NE 1/4 NW 1/4 Section 33 and SE 1/4 SW 1/4 Section 28; all in T92N-R51W. The applicant is requesting a diversion rate greater than the statutory limit.

Pursuant to SDCL 46-2A-2, the Chief Engineer recommends APPROVAL of Application No. 7835-3 because 1) unappropriated water is available, 2) existing rights will not be unlawfully impaired, 3) it is a beneficial use of water, and 4) it is in the public interest. In accordance with SDCL 46-2A-23, the Chief Engineer will act on this application, as recommended, unless a petition is filed opposing the application or the applicant files a petition contesting the Chief Engineer's recommendation. If a petition opposing the application or contesting the recommendation is filed, then a hearing will be scheduled and the Water Management Board will consider this application. Notice of the hearing will be given to the applicant and any person filing a petition.

Any person interested in opposing or supporting this application or recommendation must file a written petition with BOTH the applicant and Chief Engineer. The applicant must file a petition if contesting the Chief Engineer's recommendation. The Chief Engineer's address is "Water Rights Program, Foss Building, 523 E Capitol, Pierre SD 57501 (605 773-3352)" and the applicant's mailing address is given above. A petition filed by either an interested person or the applicant must be filed by July 8, 2013.

The petition may be informal, but must include a statement describing the petitioner's interest in the application, the petitioner's reasons for opposing or supporting the application, and the signature and mailing address of the petitioner or the petitioner's legal counsel, if legal counsel is obtained. Contact Eric Gronlund at the above Water Rights Program address to request copies of information pertaining to this application. Steven M. Pimer, Secretary, Department of Environment and Natural Resources. Published once at the total approximate cost of \$26.81.

YANKTON COUNTY COMMISSION MEETING
June 18, 2013

The regular meeting of the Yankton County Board of Commissioners was called to order by Chairman Bruce Jensen at 2:00 p.m. on Tuesday, June 18, 2013 at the Commission Chambers in the County Government Center. The Pledge of Allegiance was recited.

Roll call was taken with the following members present: Donna Freng, Bruce Jensen, Garry Moore and Allen Sinclair. Absent: Mark Johnson.

Also present at the start of the meeting were the following county officials: Sheriff James Vlahakis, Highway Superintendent Brian Gustad, and Register of Deeds Brian Hunhoff (meeting recorder).

Action 13281C: A motion was made by Sinclair and seconded by Freng to approve the meeting agenda with the following addition: Discussion of special meeting to act on Resolution for the Auditor's office. All present voted aye; motion carried.

Action 13282C: A motion was made by Sinclair and seconded by Moore to approve minutes from the June 4, 2013 regular meeting. All present voted aye; motion carried.

Budget Hearings: The Board continued hearings with department heads for the 2014 budget.

Sheriff's Office Budget: Sheriff James Vlahakis proposed a 2014 budget of \$1,000,779 for the Sheriff's office; which represents a 7.42 percent increase of \$69,085 over the current budget of \$931,694. Vlahakis proposed 3.32 percent wage increase for personnel to account for a 3 percent cost of living raise; the remaining .32 percent wage increase would fund longevity bonuses and step increases. The sheriff also proposed increasing his fuel budget by \$10,000 due to rising prisoner transport costs.

Jail Budget: Sheriff Vlahakis proposed a 2014 County Jail budget of \$1,060,659; which represents a 7.4 percent increase of

2010 Legal and Public Notices

\$73,101 over the current Jail budget of \$987,558. Vlahakis proposed a 4.14 percent increase in wages for Jail personnel to account for a 3 percent cost of living raise; the remaining 1.14 percent would fund longevity bonuses and step increases. Vlahakis also proposed a \$15,125 increase in spending for Professional Services due to rising medical costs for inmates.

Juvenile Detention Budget: Sheriff Vlahakis proposed a 2014 Juvenile Detention budget of \$104,431; which represents a 3.1 percent increase of \$3,136 over the current JD budget of \$101,295. The increase is due to a 3 percent cost of living raise for JD personnel.

E911 Budget: Sheriff Vlahakis proposed a 2014 E911 budget of \$267,650; which represents a 21.95 percent increase of \$48,170 over the current E911 budget of \$219,480. The spending plan includes a \$21,122 decrease in personnel costs due to rules about the number of hours staff paid from the E911 Fund must spend on E911-related issues. Vlahakis proposed a \$22,000 increase in Professional Services that would be paid to the City of Yankton for system maintenance. He also proposed a \$46,870 increase in Furniture and Minor Equipment to pay for an upgrade to dispatch consoles.

Planning and Zoning Budget: Zoning Administrator Patrick Garrity proposed a 2014 budget of \$156,158; which represents a 10.62 percent increase of \$14,998 over his current budget of \$141,160. Garrity proposed a 20 percent wage increase for his position, increasing the Zoning Administrator salary from \$41,324 to \$49,589. Garrity noted his workload has increased, and said the wage increase would move his salary closer to what most county department heads are paid. He also proposed a \$13,058 salary for the half-time administrative assistant position. Garrity proposed a \$13,170 reduction in spending for professional fees and services, and decreased his operating expenses by 16.48 percent.

Ambulance Budget: Emergency Medical Services Administrator Steve Hawkins proposed a 2014 budget of \$999,210; which represents a 1.72 increase of \$16,926 over his current budget of \$982,284. Hawkins proposed a \$2.00 per hour (7.7 percent) increase for his position, raising the Ambulance Administrator salary by \$4,160.00 from \$54,046.44 to \$58,206.44. Hawkins listed the numerous responsibilities his job includes as reasons for the requested pay increase. He proposed a 3 percent wage increase for other EMS employees. Hawkins said a change in coverage will decrease his 2014 insurance costs by \$8,556. He also proposed cutting his supplies spending from \$101,299 to \$95,050.

Salary Increases: Commissioner Sinclair said a number of department heads have requested more than the three percent wage increase they were asked by the Auditor to use when preparing 2014 budget requests. Sinclair said the provisional budget to be published this summer should reflect a three percent raise for all personnel, aside from step increases and longevity bonuses. He said any exceptions to the three percent raise could be considered this fall before final approval of the budget.

Commissioner Johnson entered the meeting at 2:50 p.m.

Ambulance Report: EMS Administrator Steve Hawkins presented his monthly report, which noted 136 total calls and 1,776.5 patient-loaded miles in May 2013. For the year to date through May 31, EMS has collected \$278,212 and spent \$282,928. Hawkins said Jared Drotzmann was chosen as recipient of the Harold Weiland Award for EMS Excellence. He also said Arica Nickles has been recognized for 15 years of EMS service.

Action 13283EMS: A motion was made by Johnson and seconded by Sinclair to approve \$37,718.32 in EMS insurance adjustments. All present voted aye; motion carried.

Action 13284EMS: A motion was made by Johnson and seconded by Freng to approve \$4,030.67 in EMS individual write-off adjustments. All present voted aye; motion carried.

Action 13285EMS: A motion was made by Freng and seconded by Sinclair to accept the monthly EMS report for May 2013. All present voted aye; motion carried.

Transportation Plan Study: The Board reviewed a proposed agreement with the State of South Dakota to fund a transportation planning study for the Yankton County area. Under terms of the proposed contract, Yankton

2010 Legal and Public Notices

County would be responsible for 20 percent of the study costs, but not more than \$20,000.

Action 13286H: A motion was made by Freng and seconded by Johnson to sign an agreement with the South Dakota Department of Transportation to fund up to \$20,000 in costs for a transportation study in the Yankton County area. All present voted aye; motion carried.

Asphalt Zipper: Supt. Gustad and the Board discussed a purchase agreement to buy an Asphalt Zipper machine from Capital Innovations. The machine is used to grind asphalt into material that can be used as new road base. Total cost of the machine is \$179,970, and can be paid in five annual installments of \$39,751.91.

Action 13287H: A motion was made by Moore and seconded by Sinclair to approve a five-year \$179,970 purchase agreement with Capital Innovations to buy an Asphalt Zipper for the Highway Department. All present voted aye; motion carried.

Road Work: Supt. Gustad said his highway crews have been mowing road ditches because tall grass has become a safety hazard at rural intersections.

Action 13288C: A motion was made by Sinclair and seconded by Moore to recess the regular session and enter executive session to discuss indigent issues with Poor Relief Director Jennifer Adamson; and to discuss contractual and personnel matters with EMS Administrator Steve Hawkins and States Attorney Rob Klimisch. All present voted aye; motion carried.

Action 13289C: A motion was made by Johnson and seconded by Freng to reconvene in regular session. All present voted aye; motion carried.

Chairman Jensen reported no action would be taken as a result of the executive session.

Auditor's Retirement: Chairman Jensen read a letter of resignation from Yankton County Auditor Paula Jones, stating that she would be retiring, effective June 30, 2013, due to ongoing medical issues.

Action 13290C: A motion was made by Sinclair and seconded by Freng to hold a special meeting of the Board on Friday, June 21 at 4:30 p.m., to discuss a resolution to fill the Auditor's position, effective July 1. All present voted aye; motion carried.

Temporary Malt Beverage License Public Hearing: This was the time and place for the public hearing on the application for a temporary license to sell malt beverages at the Buckaroos Hog Roast. The event will be held 2 miles west, 1 mile north, _ mile west of Irene. Event organizers John and Janet Buckmiller said they will charge admission to the July 26-27 event and donate profits to lower-income individuals in the community who need financial assistance. Register of Deeds Hunhoff said the public hearing was improperly advertised because it did not include the date of the event. Hunhoff said the public hearing should be rescheduled for the Board's next meeting so the notice can be properly published.

Action 13291C: A motion was made by Sinclair and seconded by Johnson to establish July 2, 2013 at 4:00 p.m. as the date for a public hearing on the request from Janet Buckmiller, d/b/a Buckaroos Hog Roast, for a Temporary Malt Beverage License on July 26-27, 2013. The event will be held on Buckmiller's property at 4947 296th St., located 2 miles west, 1 mile north, _ mile west of Irene. All present voted aye; motion carried.

Action 13292D: A motion was made by Sinclair and seconded by Johnson to recess the regular session and convene as the Ditch Board. All present voted aye; motion carried.

Action 13293D: A motion was made by Johnson and seconded by Sinclair to approve a payment of \$2,196 to Arens Engineering for work done on the drainage sewer construction project in Gayville. All present voted aye; motion carried.

Action 13294D: A motion was made by Johnson and seconded by Freng to adjourn as Ditch Board and reconvene in regular session. All present voted aye; motion carried.

Action 13295Z: A motion was made by Sinclair and seconded by Johnson to adopt the following resolution: Whereas it appears Ruby Zdenek, owner of record, has caused a plat to be made of the following real property: Tract 1, Zdenek Addition in the NW _ of S33-T95N-R57, hereinafter referred to as Lesterville Township, Yankton County, S.D., and has

2010 Legal and Public Notices

submitted such plat to the Yankton County Planning Commission and the Yankton County Commission for approval. Now therefore be it resolved that such plat has been executed according to law and conforms to all existing applicable zoning, subdivision and erosion and sediment control and the same is hereby approved. The County Auditor is hereby authorized and directed to endorse on such the proper resolution and certify the same. All present voted aye; motion carried.

Highway 52 Task Force: Zoning Administrator Patrick Garrity and the Board discussed the Highway 52 Task Force Committee. The consensus was to form a committee of nine county residents; and one county commissioner who would serve in a non-voting liaison role. Garrity and Eric Ambrosion of District III Planning will serve as support staff to the committee. The group will meet monthly for 18-24 months to formulate recommendations to the Yankton County Planning Commission. Garrity provided names of 12 county residents who volunteered. Board members cast silent ballots to determine the nine individuals who will serve on the committee.

Action 13296Z: A motion was made by Sinclair and seconded by Johnson to appoint the following individuals to the Yankton County Highway 52 Task Force Committee: Scott Pospishil, Jeff Gudahl, James Pearson, Chuck Mackey, Craig Sommer, Russ Ryken, Carl Kretsinger, Lisa Noecker and David Mines. All present voted aye; motion carried.

Action 13297Z: A motion was made by Sinclair and seconded by Freng to appoint Commissioner Mark Johnson as a non-voting liaison member of the Highway 52 Task Force Committee. All present voted aye; motion carried.

211 Program: Emergency Management Director Paul Scherschligt and the Board discussed a revised contract to establish a 211 program in Yankton County. The program allows residents to dial 211 to get information on child care, volunteer needs, health care options, employment, severe weather, disaster response, suicide prevention and other services. Yankton County's cost to implement 211 is \$13,462 per year. Commission Chairman Jensen said the Board will reconsider 211 funding near the end of this calendar year when budget numbers for 2014 are firmed up.

Yankton Search and Rescue merger: The Board discussed a resolution that would merge the Yankton Search and Rescue Program with the Yankton County Office of Emergency Management and Homeland Security. Commissioner Johnson said the merger would help ensure ongoing funding for a program that is a priority need in the Yankton community.

Action 13298OEMHS: A motion was made by Johnson and seconded by Freng to approve the following Resolution to provide a Yankton County Search and Rescue group.

WHEREAS, the Yankton County Commission is charged with protecting the health and safety of the citizens of Yankton County, including all property situated therein; and

WHEREAS, the Yankton County Office of Emergency Management is this community's designated agency for disaster response; and

WHEREAS, membership of Yankton Area Search and Rescue have voted in complete support of the Yankton County Emergency Management Director assuming management and oversight of day to day operations and functions of Yankton Area Search and Rescue; and

WHEREAS, membership of Yankton Area Search and Rescue have voted in complete support of the Yankton County Office of Emergency Management's acquisition of all equipment and property in the Yankton Area Search and Rescue inventory; and

WHEREAS, the Yankton County Commission is in support of the Yankton County Office of Emergency Management acquiring oversight and management authority of day to day operations of Yankton Area Search and Rescue; and

WHEREAS, this Resolution will grant the Yankton County Office of Emergency Management oversight and management authority of all Yankton Area Search and Rescue operations, budgetary functions, training, facilities, and equipment; and

WHEREAS, the Yankton County Office of Emergency Management will maintain the Search and Rescue group as a vital and viable service to Yankton County; and

WHEREAS, the Yankton County Office of Emergency Management will consult with current officers of Yankton Area Search and Rescue to ensure a smooth transition period; and

WHEREAS, the Yankton County
