day (Friday) from 5-7 p.m. at GAR Hall.

I would like to personally invite you to take part in a summer-long interactive art installation "Modify. Dotify." Each time you visit, you get 12 brightly colored stickers to put anywhere in our white art studio. We hope you'll come back more than once to see it change!

Last summer, Yankton Area Arts hosted an incredible evening celebrating the Arts with an elegant picnic on the lower deck of the Meridian Bridge. Accompanied by outstanding area musicians on a perfect night courtesy of Mother Nature, four artists created unique works of art while our guests wined, dined and danced the evening away! This year's dinner will be held on Saturday, July 18, and will feature a big band to help get our toes tapping. Tickets to our second annual Meridian en Blanc Fundraiser will be on sale to the general public starting on Monday, June 15, from 1-5 p.m. at GAR Hall. If you are a member of Yankton Area Arts you don't have to wait to get your tickets! Stop in Monday-Friday during regular business hours.

As a reminder, photo entries for the Mighty Mo Photo Show are due the week of June 29-July 2. There are entry forms on our website www.Yankton-AreaArts.org. Whether you consider yourself a serious photographer or hobbyist, or you have taken one great picture of the river, the annual Mighty Mo Photo Show might be just for you! The theme of this year's exhibit is; Mighty Mo: A River for All Seasons. This exhibit is juried, and all participants are invited to enter up to four photos in the exhibit.

Summer Arts Festival will be held Aug. 21-23 at Riverside Park. We're hoping you'll notice some new things this year from our vendors. We have about 125 vendors, of which 25 are brand new to our festival and 10 are back after taking a few years off! You are sure to find something that catches your interest. We'll have more information on the vendors and entertainment in the coming weeks!

You can stay up to date on all things YAA on our website or by following us on Facebook or Twitter.

Yankton Area Arts is a non-profit arts organization located at 508 Douglas Avenue in Yankton. The G.A.R. Hall Art Gallery is open to the public free of charge from 1-5 p.m. weekdays and from 1-3 p.m. on Saturdays. For more information, call the YAA office at (605) 665-9754 or email yaa@iw.net. or setting. Books should have a broad appeal to readers across Nebraska and lend well to group book discussion. Books may be fiction, non-fiction, biography, memoir, or poetry. They must be in print and readily available.

The deadline for nominations is June 15, 2015. Book recommendations can be sent via e-mail at nlc. ask@nebraska.gov or the U.S. Postal Service to The Nebraska Center for the Book One Book One Nebraska, cil, Nebraska Library Commission, and other statewide organizations sponsor One Book One Nebraska to demonstrate how books and reading connect people across time and place. as Happy initially thought. He says they have evolved from a comedy-type show to a bombastic celebration of arena rock that has an international following.

"I don't even know if we're a band or not," he admitted. "We're an enormous traveling circus -we're a show."

Hairball is able to create a unique environment with its massive, behind-the-scenes crew that brings the show to life with lights, smoke, costumes and pyrotechnics. Happy even boasts hundreds of thousands of dollars in costumes and a couple thousand dollars worth of fireworks.

Even though Hairball has a global following, Happy says the band likes to return to their Midwestern roots, as his most memorable performances come from smaller communities like Yankton because he says the people know how to have a good time and appreciate what Hairball does on stage.

He guarantees a bigger, hair-raising experience from last year's performance.

"We're about more than celebrating the bands and music," he said. "It's about the gathering of people ... wanting to have a good time, celebrating the kind of rock 'n' roll, showmanship and presentation that we all love."

Hairball's edgy rock celebration is not limited to those wishing to gather together to preserve the music and rock 'n' roll experience they have always loved.

they have always loved. "If you are 40- to 60-years-old, I'm hopefully going to make you feel and remember what it was like to go to these concerts ...how magical this environment and music was," he said. "But if you are 10 or 12, I'm going to teach you why ('70s and '80s rock 'n' roll bands) are so cool and why that classic rock is going to stay around forever."

Actually, it's the kids that Happy loves to see experiencing for the first time the kind of rock music Hairball plays.

"I feel really good when I see a 10-year-old out there with his or her eyes wide open, seeing this kind of show and music for the first time," he said. "When I look out and see that kid next to their family member and they're both singing 'Nothin' but a Good Time,' 'Sweet Child O' Mine,'

Hairball is shown in its KISS mode. The band performed at the revamped Rockin' Ribfest in Yankton last year and helped the event draw an estimated 15,000 people. Lead guitarist Happy says this year's show will be different. "I'm just going to let it happen and that's the spirit we wake up with every day. Not only let it happen, but let's make it happen," he said.

or 'Rock 'N' Roll all Night,' I know we're really doing good work."

While Hairball promises an intense, edgy sound, they are appropriate for everyone in the family.

"Hairball doesn't need to be vulgar to make a huge statement," Happy said. "Dropping Fbombs on stage and trying to scare people by talking foul language, I just don't have to do it."

Happy will be accompanied on stage by the other four Hairball members. Rockstar Bob and Joe Dandy are masters of mics on vocals, Freaky brings bass, and Blake will keep the beat on drums.

For Kristy Wyland, Ribfest cochair-person, the decision to bring Hairball back for a consecutive year was easy.

"We're looking for (a band) that appeals to everybody and draws big crowds," she said. "Hairball was so popular last year and we thought, 'you know what, they're so good and people really enjoyed it, we can bring them back another year."

If popularity and big crowds is what Wyland

and other Ribfest organizers hope to achieve, they chose the right band. In 2014, Hairball attracted a crowd greater than 15,000 to Ribfest.

"I'm just going to let it happen and that's the spirit we wake up with every day. Not only let it happen, but let's make it happen," Happy said. "The blueprints are foggy because it's rock 'n' roll. There's a certain amount of magic where I think Hairball is better than anyone else and that's the unseen element of intensity.

"We're out to take a message to the world," he said. "Since we absolutely refuse to grow up, fans can expect that to continue. That's the way the founding fathers wrote the book, and we'll keep reading it to you."

At Saturday's Ribfest, food vendors will begin serving at 11 a.m. The Mitigators will begin the day's free entertainment at noon, followed by Mrs. Begley and The Boys at 2 p.m., The Austin Buescher Band at 4 p.m., Go Figure at 6:30 p.m. and Hairball at 8:30 p.m.
