Elk Point's Davis Signs With MMC

Elk Point-Jefferson standout Cody Davis will attend Mount Marty College and compete in track and cross country for the Lancers. He is the younger brother of current Lancer runner Caitlin Davis.

Davis was a four-time letterwinner in track and field. He also earned five letters in wrestling, qualifying for state twice, and three in football. He was also a three-time academic letterwinner at EPJ.

"Cody has a great deal of potential and I believe he will keep improving as he isn't afraid to work," said MMC head track and cross country coach Randy Fischer. "He had a very good high school career and is a great athlete. He will fit in well on our team with his enthusiasm, energy, and leadership."

The son of Brian and Mary Davis of Elk Point, he will earn a MMC Honors Scholarship in addition to his athletic award.

USD's Fogg To Represent Canada

At FISU Games In South Korea

VERMILLION — South Dakota junior Abigail Fogg has earned a roster spot on Canada's 2015 Development Women's National Team. The 6-foot-4-inch center redshirted the 2014-15 season after transferring from American University. She has two seasons of eligibility remaining.

Hailing from Sault Ste. Marie, Ontario, Fogg will represent her native country at the International University Sports Federation (FISU) Games July 5-13 in Gwangju, South Korea.

"I could not be more excited," said Fogg. "It has been my dream since I was young to compete for my country and I am grateful to have this opportunity. I definitely would not be here if it were not for the love and support of my family, friends, teammates and coaches. I am blessed to have such great people in my life and such a great opportunity ahead of me."

Fogg was one of 22 athletes invited to a tryout for the team, held June 6-9 at the University of Toronto's Goldring Centre. Since making the roster, Fogg began a 10-day training camp at the Goldring Centre under head coach Fabian McKenzie. The squad will travel to China for an exhibition tournament June 22-28 prior to the FISU Games.

At the FISU Games, Canada will have guaranteed games against Hungary, Korea and Mozambique, before advancing to the playoff rounds.

Nebraska Lifts A Boating Ban

Imposed After Moose Spotted

BRIDGEPORT, Neb. (AP) — The Nebraska Game and Parks Commission says it is lifting a temporary boating ban imposed at Bridgeport State Recreation Area in the Panhandle after a moose was spotted.

The moose was seen on the island in Center Lake, as well as in the park and the surrounding vicinity. She frequently swam between the island and the park shore.

Officials say the moose's affinity for swimming clashed with the public's desire for skiing and other water sports, causing Game and Parks to ban boats from the lake for the safety of the public as well as the moose.

The last confirmed sighting occurred June 4. Officials say that if the moose returns to the park, they will make another assessment about appropriate action.

Moose often are aggressive toward people and pets.

Switch-Pitcher Pat Venditte Goes

On DL With Shoulder Injury

OAKLAND, Calif. (AP) — Switch-pitcher Pat Venditte has been placed on the 15-day disabled list with a strained right shoulder.

The team announced the roster move Friday, and it is retroactive to Thursday. Oakland recalled right-hander Arnold Leon from Triple-A Nashville to fill the roster spot as the A's began a weekend series against the Angels in Anaheim.

The ambidextrous Venditte, the first pitcher to throw with both hands in the majors since Greg Harris in 1995, pitched in four games and allowed one hit with four strikeouts and two walks in 5 2-3 innings of relief. He made his major league debut June 5 in Boston at age 29.

Bonte also had a single,

Sam Johnson homered and Patrick Whetham drove in a run in the victory.

win the Conn Smythe Trophy as the playoffs MVP. Barring a spectacular pile of goals from playoff scoring leader Tyler Johnson or another forward, the series winner seems likely to feature the first defenseman to claim the Conn Smythe since Anaheim's Scott Niedermayer in 2007.

Keith and Hedman are 1-2 in the NHL in postseason plus-minus ratings and total minutes. Keith leads the playoffs with 18 assists during his incredible extended ice time, while Hedman has set franchise playoff records for assists and points by a defenseman.

Although they play the game differently, they're filling a similar do-everything role for their respective teams.

"In a lot of ways, yeah, (Hedman) is a guy like Duncan," Toews said. "He makes, more times than not, the players he's out there with

better. He's a catalyst when he's in his own zone or the offensive zone."

Only four defensemen in NHL history have recorded more than Keith's 18 assists in this postseason, and no-body has done it since Brian Leetch's 23 during the New York Rangers' Stanley Cup run in 1994.

Keith's sheer minutes are the most jaw-dropping aspect of it all: He has played 655 minutes and 55 seconds in the postseason, averaging 31:14 per game. Chicago coach Joel Quenneville's top four defensemen are all averaging more ice time per game than Hedman, although the Lightning have played more games.

It's tough to quantify whether those extra minutes have affected the Chicago defensemen's overall aggressiveness, particularly on the offensive end. But with the season's end in clear view, the Blackhawks' big four say they won't let up.

"It's not as bad as you would think," said Chicago defenseman Niklas Hjalmarsson.
