

Adult Summer Reading Events Set

The next two adult summer reading events are set at the Yankton Community Library, 515 Walnut Street.

At 6:30 p.m. tonight (Tuesday), join Yankton High School art instructor Mallory Schmidt as she presents information on book sculptures. During the last school year, her advanced art students made sculptures from old books that were displayed at Yankton Area Arts and the library. Schmidt will talk about the process of making a book sculpture and the materials needed to complete such a project.

On Tuesday, July 7, beginning at 6 p.m., the Historic Cemetery Walk in partnership with the Dakota Territorial Museum and the Dakota Theatre is back by popular demand. Ticket holders will meet at the City cemetery to engage with re-enactors who tell the stories of some of Yankton's colorful citizens of the past. Their lives differed greatly but they all added to our history. Tickets for tours, which start every fifteen minutes beginning at 6 p.m., can be purchased only at the library.

If you haven't registered for the adult summer reading program, there's still time. Stop at the desk, register, and pick up your Tic-Tac-Toe card. Begin reading and filling in your card. Then return your completed card for a small prize and entry into our grand prize drawing.

For more information, contact the library at 668-5275.

Recreation Area Activities Scheduled

Here is the schedule of activities for the Lewis and Clark Recreation Area for June 24-28.

- Wednesday June 24
10 a.m. — Prairie Pioneers, Butter Making Chief White Crane Amphitheater

- 12:30-2:30 p.m. — Obstacle Course Family Fun Run; East Midway Shelters 6 & 7

Geocaching Class To Be Held In Tyndall

TYNDALL — A free geocaching class will be held on June 24, from 7-8:30 p.m. at the Art & Antique Gallery in Tyndall.

Geocaching is a great way for families to spend time outside together, learn history of an area, or just have fun finding hidden caches while on the family vacation. There are more than 2 million geocaches hidden worldwide — some of them in Bon Homme County.

The class will learn how to sign up to do geocaching on the computer, downloading and using free GPS on a smart phone, use of a GPS device if you don't have a smart phone, geocaching etiquette and information on how to make and hide geocaches in general.

Presenter will be Lisa Sestak of Tyndall. Participants will want to bring their laptop, iPad and/or smart-phones along. Interested persons should call to reserve a spot at 605-589-4050 or if you have questions.

This event is sponsored by Discover Bon Homme www.discoverbonhomme.com/.

Market Beat To Be Featured Speaker

Market Beat (formerly Analyst Ratings Network) will be the featured presenter at Wednesday's 1 Million Cups meeting at the Avera Professional Pavilion, starting at 9 a.m.

Market Beat makes real-time financial information accessible to investors at all levels. It offers the most comprehensive coverage of analysts' upgrades, downgrades and new coverage on the web. Market Beat has more than 200,000 subscribers on their email list and will be sharing how they have successfully used email marketing.

Clothing Bank Needs Air Conditioners

The Clothing Closet on the HSC grounds is in need of a few window air conditioners. The Clothing Closet is a free clothing bank for our community and is run mainly through the hard work of volunteers. They do not have working air conditioners currently.

If you have an air conditioner to donate, or are willing to help in any way, contact Amy Haberman at amy.haberman@state.sd.us at 605-668-3248.

Severe Thunderstorms
Create Damage In Eastern SD

By The Associated Press

SIOUX FALLS — Violent thunderstorms early Monday caused damage throughout eastern South Dakota, leaving thousands of people without power and zeroing in on the town of Garretson, where damage was particularly extensive.

Winds downed trees and power poles in the town 10 miles northeast of Sioux Falls, blew over four tanks at a fertilizer plant, and led to a gas leak that prompted the evacuation of a mobile home park. Several homes were damaged but no injuries were reported. The Red Cross was providing help.

The National Weather Service sent a survey team to Garretson to investigate whether straight-line winds or a tornado caused the damage, the *Argus Leader* newspaper reported.

"We have several houses — five that I've seen myself — that have roofs missing or severe damage," Fire Chief J.R. Hofer told KSFY-TV. "There are trees down all over town."

Resident Paul Linneweber told the *Argus Leader* that he and his wife were getting

Strong winds early Monday morning brought down this tree in Vermillion. High winds also caused considerable damage in the Sioux Falls area.

ready for work when the storm hit. They didn't have time to get to the basement, so they rode out the storm in a closet as winds blew their lawn furniture from the backyard to the front.

"It felt like the whole house was moving," Linneweber said.

Officials were restricting traffic into the town Monday while getting the cleanup

underway.

"It changes the appearance of our little town, that's for sure," resident Jake Johnson told the *Argus Leader*. "But we'll recover, as every little town does."

The strong winds damaged buildings throughout the region. Winds up to 80 mph in the Pierre area blew over Dumpsters and downed a tree in front of the state

Capitol. The winds overturned a camper in Hayes, but members of the family inside suffered only minor injuries, KCCR radio reported.

The Farm Island Recreation Area in Pierre was temporarily closed Monday due to downed trees and no electricity, the state Game, Fish and Parks Department reported.

SDHSAA Interim Committee to Meet

PIERRE — The Executive Board for the S.D. Legislature selected the South Dakota High School Activities Association as one of the 2015 Interim Study Committees. Chair for the committee is Sen. Craig Tieszen (R-Rapid City), and Vice Chair is Rep. Jim Bolin (R-Canton). The committee will hold its first meeting on Friday, June 26, in room 413 of the State Capitol in Pierre.

The first meeting will include a presentation on the current statutes governing the SDHSAA, and an overview of activities associations in other states, as well as a presentation by the SDHSAA about the organization. The meeting is scheduled to begin at 10 a.m. (CDT) and is open to the public.

The full agenda for the meeting will soon be available on the Legislative Research Council's web site: <http://legis.sd.gov/>.

In addition to Tieszen and Bolin, the SDHSAA Interim Committee members include Sens. Jim Bradford (D-Pine Ridge), Larry Tidemann (R-Brookings), Bill Van Gerpen (R-Tyndall); and Reps. Julie Bartling (D-Gregory), Roger Hunt (R-Brandon), Kris Langer (R-Dell Rapids), Tim Rounds (R-Pierre), Tona Rozum (R-Mitchell) and Kyle Schoenfish (R-Scotland).

Bow Fishing Slam Exceeds Expectations

The third annual Ducks Unlimited Bow Fishing Slam held at Riverside Park this Saturday had its best turnout to date, organizer Mike Magorian said. There were 19 teams that participated, two of which being youth teams that competed head-to-head with the adult teams.

Of the youth teams, one team received a second place finish and the other finished ninth overall.

The weigh-in saw more than 1,000 pounds of invasive Asian carp.

At the conclusion of the weigh-in, a grill-out was held for participants.

The Yankton Area Chapter of Ducks Unlimited thanks everyone that participated and made the event enjoyable, as well as the local businesses that sponsored the tournament: Bow Fishers of Nebraska, Dakota Archery, DK Construction, Filips Construction, A-Ox Welding Supply and the Ice House.

Final results here:

1st Place: Team Force Feed, Rich Porter with 185.6 pounds total. Porter was also the winner of the Big Fish competition with a 22.6 pound big-head carp.

2nd Place: Team Sportmans: Kevin Erickson, Jerrett Bruening and Josh Kern - 169 pounds total.

3rd Place: Team Dome Shot: Nick Wright - 108 pounds total.

SHARE Distribution Day Set for Saturday

Distribution day for SHARE is between 9:30-11 a.m. on Saturday, June 27, at Peace Church, 206 E. 31st St. If you have ordered, please pick up your food at that time. If you want to order for July, you can do that at that time. If you are interested in volunteering with SHARE, talk to Distribution Team Leader Trinity Clark.

SHARE has expanded its coverage area in recent months and now needs additional volunteers to help with putting the flyers out and talking about SHARE with others. Volunteers are needed to reach friends, family and neighbors in Yankton and surrounding areas, including Nebraska, and Mitchell and surrounding areas. Also needed is at least one volunteer with a full-size pickup and enclosed trailer to drive to Sioux City monthly to pick up the SHARE orders.

"We need flyers distributed and volunteers to talk about the great value of SHARE," Coordinator Deb Johnson said. "Anyone interested should call our Distribution Team Leader Trinity Clark at (605)760-8786."

The all-volunteer organization will be putting together a training session in July. The brief session will find out where the new volunteers can best help the program. Clark is in charge of planning the session at a time that fits the volunteers' schedules. SHARE stands for Self Help and Resource Exchange. A non-profit organization, it was started to help on grocery bills and spread the spirit of volunteering throughout the coverage area. SHARE provides frozen meats, fresh fruits and vegetables and nutritious snacks. All it takes to purchase food from SHARE is to volunteer, anywhere, at least two hours a month. Can't get out to do volunteering? Praying for others fulfills that one simple action.

The local site accepts cash, check or EBT cards as payment. Credit/debit card payments may be made on the internet at www.SHAREIowa.org.
