## Summer Band Concert Slated Tuesday

The Yankton Area Summer Band will host its fifth concert of its 33rd season on Tuesday, June 30, at 8 p.m. at the Riverside Park amphitheatre.

Aaron Schmeling, Director of Bands at Elk Point, will be conducting. Since Independence Day is so close, Schmeling has chosen a number of tunes that reflect our country's heritage and patriotism, and don't forget the March.

Rehearsals begin at 6:30 p.m. for interested musicians, with the performance starting at 8:00 p.m. If there is inclement weather, the rehearsal and concert will be held in the theater at the Yankton High School Summit Activities Center, 1801 Summit Street.

For late changes due to weather, listen to the radio stations: WNAX, 570 AM; KYNT 1450 AM; KVHT 106.3 FM; or KDAM, 94.3 FM.

## P&D Seeks Independence Day Input

The *Yankton Press & Dakotan* is planning a special Independence Day edition to be released on Saturday, July 4. We are asking our readers to take part in this project with some of their personal reflections on the holiday.

- What is your favorite memory from the Fourth of July holiday? What stands out most to you from past celebrations?
- Also, we want to know what America's freedom means to you. The holiday symbolizes the liberties that define this nation and our lives as Americans. What do you appreciate most about being an American?

You can send your thoughts on one or both of those questions. Please send them to us at Fourth of July, c/o News, 319 Walnut St., Yankton, SD 57078; or send to news@yankton.net/. We ask that you respond to us by June 30.

# SDSU Extension Takes Multi-State Approach to Avian Flu Education

BROOKINGS — In response to the recent Avian Influenza outbreak, SDSU Extension launched a multi-state approach to providing research-based information and resources to families.

"By leveraging our resources and strategically sharing information with families throughout South Dakota, Minnesota and Iowa we are able to provide daily updates and recommendations," said Suzanne Stluka, SDSU Extension Food & Families Program Director of the cooperative project with Iowa State University Extension and University of Minnesota Extension.

Together, Extension staff from the three Land Grant Universities will provide families with information on everything from food safety education

and stretching food dollars as the cost of eggs and poultry increases to implementing strategies to manage a family's finances and stress during tough times.

"Avian Influenza has had a very real impact on families — while our SDSU Extension counterparts are working to address producer issues — this group will focus on the families struggling with the human challenges brought on by Avian Influenza," Stluka explained. "Whether that is ensuring families are implementing the proper food safety techniques when preparing eggs and poultry, the loss of employment or dealing with seeing their food budget increase, as eggs, which are traditionally an inexpensive protein source, have more than doubled in price."

Sharing of resources and information between university extension groups is not a new concept; outreach has been the focus of extension since its establishment within Land Grant universities across the U.S. more than a century ago. And, in this case, Stluka says collaboration is imperative. "Alone, we simply do not have the staff or resources to ensure families receive all the information they need."

The outreach effort will include a strong social media presence, public relations campaign and online resources. To learn more, visit iGrow or follow #AvianFluImpact on your social media accounts.

# SD Transportation Program Funding Available

PIERRE — Letters of Intent forms are now available on the website for the Transportation Alternatives Program (TAP) from the South Dakota Department of Transportation.

The TAP is a grant program that uses federal transportation funds, designated by Congress, for specific activities that enhance the intermodal transportation system and provide safe alternative transportation options.

The TAP was authorized by the Moving Ahead for Progress in the 21st Century Act (MAP-21), signed into law on July 6, 2012. The TAP

builds upon the legacy of the former Transportation Enhancement, Safe Routes to School and Scenic Byways programs by expanding travel choices, strengthening the local economy, improving the quality of life and protecting the environment.

Approximately \$2.1 million is available through this competitive grant process administered by the South Department of Transportation's project development office.

Each grant will be for a maximum of \$400,000, although the SDDOT may approve a larger amount for phased projects. The

minimum grant amount for infrastructure projects is \$50,000. There is no set minimum grant amount for non-infrastructure projects and there is an 18.05 percent local match requirement for each project.

A full description of the TAP is available online on the South Dakota Department of Transportation's Transportation Alternatives Program webpage at <http://www.sddot.com/services/transalt>.

The submittal of a Letter of Intent form, found on the webpage, is a mandatory requirement in order to be eligible to submit a full ap-

plication for funding.

The Letter of Intent form submittal deadline is July 15, 2015. This will be the only call for Letters of Intent for the 2015 Fiscal Year.

Requests for additional information, site visits and/or meetings on potential projects should be directed to TAP coordinator, Nancy Surprenant, by phone at 605-773-4912 or by email at [nancy.surprenant@state.sd.us](mailto:nancy.surprenant@state.sd.us).

Following the receipt of the Letters of Intent, on-site meetings with project sponsors will be scheduled prior to the Sept. 15, 2015, deadline for full applications.

DRIVER'S LICENSE EXAMS

hospital birth-certificates); valid unexpired U.S. passport; Certificate of Naturalization; Certificate of Citizenship; valid unexpired permanent resident card; valid unexpired employment authorization document; foreign passport with valid unexpired U.S. Visa with I-94.

NOTE: A driver license with a gold star in the upper right-hand corner also qualifies as a federally compliant card for identification.

If your name is different than the name on your identity document, you will need to bring additional proof of your legal name. Acceptable documents for proof of legal name change are a certified marriage certificate (issued by a state vital records agency), a certified adoption document, or a certified court order authorizing a name change (such as a divorce decree). If you have had multiple marriages, you will need to bring similar documents providing legal proof of each name change. The examiners must be able to trace from your birth name to your current name.

• ONE document to prove your Social Security number: Social Security card, W-2 Form, SSA 1099 Form, Non-SSA 1099 Form, pay stub (must include name and Social Security number). The regulations do not allow personnel to accept any other document as proof of Social Security number.

• TWO documents to prove your residential address. A parent's proof of address is acceptable for a minor child. Bring two of the documents listed here (each must contain your current address): Utility bill, credit card statement, pay stub or earnings statement, rent receipt, phone bill, transcript or report card from accredited school, bank state-
