VISHAY Machinist

Vishay Dale Electronics is one of the larger employers in Yankton, manufacturing electronic components for customers around the world.

We currently are seeking a Machinist with creative skills to fabricate prototype tooling for manufacturing equipment and tooling fixtures along with repairing parts as needed. Requirements include over four years of manual machining experience with mills, lathes, surface grinders, etc. This person must have a two year technical degree in machine technology or related experience.

At Vishay Dale Electronics you will receive a competitive wage and most benefits start 30 days after your hire date. Our benefit package includes very affordable health and dental insurance, 10 paid holidays, paid vacation, and a 401k savings plan with a company match, and much more.

Apply on-line at <http://hr.vishay.com>
