Avera 
Sacred Heart Hospital

2011 Top Performing Hospital for providing reliable, efficient and safe care.

Avera Sacred Heart Hospital is among the 2011 Top Performing Hospitals in the Premier Healthcare Alliance's national QUEST® collaborative – one of only two hospitals in South Dakota to receive this distinction. This is the third year in a row that Avera Sacred Heart Hospital has achieved top performance.

QUEST supports hospitals in delivering the best care possible, as well as sharing collaborative solutions to improve health care nationwide and influence public policies. Together, the current 278 QUEST members share ideas, strategies and proven practices to reduce variation, an approach that has been shown to improve care quality, safety and cost.

Avera Sacred Heart Hospital looks forward to continuing to provide high-quality health care to your community.
