YANKTON COUNTY
COMMISSION MEETING
March 5, 2013

The regular meeting of the Yankton County Board of Commissioners was called to order by Chairman Bruce Jensen at 3:30 PM on Tuesday, March 5, 2013 at the Commission Chambers in the County Government Center.

The Pledge of Allegiance was recited.

Roll call was taken with the following members present: Donna Freng, Bruce Jensen, Mark Johnson, Garry Moore and Allen Sinclair.

Action 1366C: A motion was made by Sinclair and seconded by Freng to approve the meeting agenda with three additions: Weed Board report; proposal to plat old Highway Shop property; and Executive Session to discuss personnel issues. All present voted aye; motion carried.

Action 1367C: A motion was made by Sinclair and seconded by Johnson to approve the minutes from the Feb. 20, 2013 meeting. All present voted aye; motion carried.

DLA Assessment Report: Russ Olson, Local Government Audit Manager for the South Dakota Department of Legislative Audit, reported his department's assessment of the current operations of the Yankton County Auditor's office, as requested by the Yankton County Commission on Feb. 5. Also present at the meeting were regional DLA auditors Jeff Schaefer and Roger Schnabel. Olson stated that he and Schaefer and Schnabel compiled concerns

2010 Legal and Public Notices

from interviews with county commissioners and county staff. Issues identified included a delay in Auditor's information to the Treasurer for property tax notices; overdue budget status reports for county department heads; and failure to prepare and publish county commission meeting minutes for an extended period. Olson stated those issues have been resolved with assistance from the S.D. Department of Revenue, Auditor's staff and other county officials.

Olson also addressed other areas of concern and said most have been resolved or eliminated. The complete DLA report is available for public review in the Auditor's Office. Olson stated that overall results of the investigation did not heighten DLA concern about the Auditor's office.

Olson said DLA analysis of county finances indicates there is sufficient cash flow to fund the 2013 budget. He noted the Auditor failed to properly publish certain financial information, including budgeted expenditures in the 2013 provisional budget. He said the county's 2012 annual report was due March 5, but has not been completed.

Olson listed upcoming county official training in Pierre that is available for the Auditor's staff. He said DLA will provide the Auditor's staff with assistance in completion of the 2012 annual report if requested.

Action 1368C: A motion was made by Sinclair and seconded by Moore to request DLA staff to assist the Auditor's staff with preparation of the annual county financial report for calendar year 2012. All present voted aye; motion carried.

Commissioners expressed gratitude to the DLA representatives for their diligence and assistance with the audit and subsequent assessment of the Auditor's office.

Turkey Valley Ditch: Craig Hansen, of Turkey Valley Township, addressed the Board about issues surrounding a plan to improve the Turkey Valley Drainage Ditch. The first issue discussed was the fact that the ditch is longer than advertised in the request for bids. The second issue discussed was possible incorrect tax levies on properties that benefit from the ditch.

Zoning Administrator Patrick Garrity, who also serves as County Ditch Administrator, said the taxation issue was apparently caused by ditch levies that were applied unevenly. Garrity showed a map of the area that indicates property directly adjacent to the ditch was taxed, while non-adjacent properties that benefit from the drainage system were not taxed.

Action 1369D: A motion was made by Johnson and seconded by Freng to direct Ditch Administrator Patrick Garrity to further investigate issues surrounding the Turkey Valley Drainage Ditch project and report back to the Board with recommendations for action at a future meeting. All present voted aye; motion carried.

Highway Report: Highway Superintendent Brian Gustad said his employees were busy in the previous week with snow removal. His staff has also been participating in recent training events; and worked on equipment repair, sign repair, culvert repair and tree removal projects.

Gustad received confirmation from the S.D. Dept. of Natural Resources that tanks buried at the old Highway Shop property qualify for the state's underground tank removal program.

Gustad presented a list of 13 equipment needs prioritized for the highway department. Based on state bids, total cost of that equipment would be approximately \$1.3 million. Gustad said that in February his department made the final \$86,756 payment on three 2008 Caterpillar Motor Graders. After that payment, the department has \$38,243 remaining in its 2013 budget for equipment expenditures. It was the recommendation of the Board to delay purchase of any equipment at this time unless there is an emergency need. Gustad will also contact other counties to ask if they have received equipment bids lower than the state bid list.

Deer Boulevard Bike Trail Project: Gustad said he recently attended a meeting with state officials, Johnson Engineering (project engineer) and LRC (project contractor) to discuss the Board's dissatisfaction with the Deer Boulevard Bike Trail. Ruts, discoloration and previously missed completion deadlines have been three areas of concern. Gustad said he has also seen evidence of failure in the trail's sub-grade. The County had previously extended LRC's deadline for completion of the project.

S.D. Department of Transportation official Laurie Schultz wrote to the County, requesting the Board grant the contractor another extension until July 1, 2013 to complete the work that needs to be done. Schultz said the County could potentially have to repay \$183,751 in federal funding if the issue cannot be resolved.

Commissioner Moore said DOT would not tolerate the same job performance if this were a state-owned project. Commission-

2010 Legal and Public Notices

ers asked Gustad to invite representatives of the engineering firm, contractor, DOT and State's Attorney to an upcoming Board meeting to further discuss the bike trail project and DOT's recommendation.

Action 1370H: Gustad requested permission to set a load limit of seven tons per axle on county roads as needed. A motion was made by Moore and seconded by Sinclair to approve the following Yankton County Weight Limit Enforcement Resolution: "Whereas, seasonal climactic changes can be detrimental to our highways and; Whereas the Yankton County Board of Commissioners desires to protect existing Yankton County highways, ultimately saving tax dollars and; Whereas South Dakota Codified Law 32-14-6 allows for the reduction of the legal weight limit which may be carried upon highways within Yankton County and; Whereas the Yankton County Board of Commissioners desire the enforcement of weight limitations on Yankton County roads as set forth and posted by the Yankton County Highway Superintendent. Resolved, that the South Dakota Highway Patrol is hereby authorized and requested to enforce weight limitations on Yankton County Roads. Be It Further Resolved that the penalty for the violation of load restrictions shall be as set forth in SDCL 32-22-55." All present voted aye; motion carried.

Action 1371H: A motion was made by Sinclair and seconded by Freng to send letters to County Sheriff James Vlahakis and Captain James Carpenter of the S.D. Highway Patrol requesting assistance from their departments with enforcement of motor vehicle weight limitation statutes on county highways in Yankton County. All present voted aye; motion carried.

Action 1372H: A motion was made by Johnson and seconded by Sinclair to approve the low bid of \$527,242.10 from Masonry Components of Yankton for the Bill Baggs Road reconstruction project; and to authorize the County to pay its share of the cost from the General Fund when it becomes due. The project route runs from S.D. Highway 50 to the Aluma Road. Because this road includes sections both inside and outside the city limits, Yankton County will share costs on the project with the City of Yankton. The County is responsible for 40 percent of the cost. City staff opened the nine bids on Feb. 28, 2013. The low bid from Masonry Components was \$148,505.40 less than the engineer's estimate of \$675,747.50 for the project. All present voted aye; motion carried.

Action 1373H: A motion was made by Moore and seconded by Freng to post "No Through Trucks" signs on 445th Avenue and 446th Avenue from Highway 46 to Highway 50. All present voted aye; motion carried.

Action 1374H: A motion was made by Sinclair and seconded by Johnson to authorize Johnson Engineering to proceed with preparation of plans for a road improvement and bridge deck rehabilitation project starting at the east county line (452nd Avenue) one mile east of Volin, then west one mile on 306th Street, then northwest 1.9 miles, and then west 1.5 miles on 305th St. to 448 Ave. All present voted aye; motion carried.

Action 1375Z: A motion was made by Johnson and seconded by Sinclair to recess the regular session of the Board and convene as the Board of Adjustment. All present voted aye; motion carried.

Action 1376Z: A motion was made by Sinclair and seconded by Johnson to approve a Minimum Yard Requirement Variance for Thomas and Pamela Simonsen in a Commercial District (C) in Yankton County.

LEGAL DESCRIPTION (Physical Location): S166.10', exc W172', S1/2, W1/2, W1/2, NW1/4, S15-T93N-R56W, hereinafter referred to as Utica South Township, County of Yankton, State of South Dakota.

1. Planning Commission recommends approval 7-0.
2. A minimum yard requirement variance as follows: One hundred (100) feet to seventy-one +/- (71.1) feet in front yard and from fifty (50) feet to fifteen (15) feet in rear yard.
3. Granting of variance will bring property into compliance with Yankton County Zoning Ordinance, variance will not confer on the applicant any special privilege.
4. No nonconforming lands, structures or buildings were considered grounds for this recommendation.
5. Use of applicants' property is allowed by the Yankton County Zoning Ordinance and in the district.
6. Recommendations/conditions: Per Findings of Fact on file in Zoning & Auditor's offices.
7. Variance request approval per Article 19, Section 1907, of the Yankton County Zoning Ordinance.
All present voted aye; motion carried.

Action1377Z: A motion was

2010 Legal and Public Notices

made by Johnson and seconded by Freng to approve a Conditional Use Permit for Marlin LaCroix to build a commercial self-storage warehouse in a Lakeside Commercial District (LC) in Yankton County.

LEGAL DESCRIPTION (Physical Location): Lot 12B, Thon's Addition, SE1/4, NW1/4, S15-T93N-R56W, hereinafter referred to as Utica South Township, County of Yankton, State of South Dakota.

1. Planning Commission recommends approval 6-0-1 (abstain).
2. Conditional Use Permit approved to build a commercial self-storage warehouse in a Lakeside Commercial District (LC).
3. Granting of the Conditional Use Permit will bring property into compliance with Yankton County Zoning Ordinance. Conditional Use Permit will not confer on the applicant any special privilege.
4. No nonconforming lands, structures or buildings were considered grounds for this recommendation.
5. Use of applicants' property is allowed by the Yankton County Zoning Ordinance and in the district.
6. Recommendations/conditions: Per Findings of Fact on file in Zoning & Auditor's offices.
7. Variance request approval per Article 19, Section 1905, of the Yankton County Zoning Ordinance.
All present voted aye; motion carried.

Action 1378Z: A motion was made by Johnson and seconded by Sinclair to adjourn as Board of Adjustment and reconvene in regular session. All present voted aye; motion carried.

Emergency Management Report: Yankton County Emergency Management Director Paul Scherschligt discussed the need for a generator in the Emergency Operations Center at the Yankton County Ambulance and Emergency Management building. The Board directed Scherschligt to prepare bid specifications for the generator and bring them to a future meeting for further action.

Emergency Management/Emergency Medical Services Storage Building: Scherschligt asked about taking the next step in the proposed construction of a cold storage building on county property adjacent to the Ambulance and Emergency Management building. Chairman Jensen asked Scherschligt, Ambulance Director Steve Hawkins and Commissioner Freng to complete plans for the structure, and get City of Yankton approval of the project as it may require a rezone from the City Commission.

Action 1379OEMHS: A motion was made by Sinclair and seconded by Freng to authorize Scherschligt's office to participate in the Statewide Emergency Register of Volunteers in South Dakota (ServSD). The program coordinates the pre-registration of individuals who will volunteer their services for disaster relief efforts when needed. Scherschligt said the program will improve response time when he needs to mobilize volunteers for disaster relief or community clean-up projects. All present voted aye; motion carried.

Action 1380OEMHS: A motion was made by Johnson and seconded by Sinclair to increase the 2013 Emergency Management Budget by \$300 as an automatic supplement, due to unanticipated revenue from a \$300 grant received from Homeland Security for an emergency radio. All present voted aye; motion carried.

Weed Supervisor's Report: County Weed Supervisor Thomas Schramm asked the Board for recommendations for the County Weed Board, to replace at least two board members who wish to resign. Commissioner Sinclair volunteered to make some contacts in an effort to find replacements.

Action 1381W: A motion was made by Moore and seconded by Johnson to approve a Joint Powers Agreement for Weed Spraying Services with the S.D. Dept. of Transportation. The agreement calls for the DOT to pay Yankton County \$6,443.46 in 2013 for controlling the growth of declared noxious weeds within the right of way of state highway routes. All present voted aye; motion carried.

Action 1382W: A motion was made by Sinclair and seconded by Johnson to approve the Weed Supervisor's travel expenses for a March 12 meeting in Niobrara and an April 9 meeting with overnight stay in Fort Pierre. All present voted aye; motion carried.

Greenhouse Update: Randy Golden advised the Board he has cancelled plans to build a glass greenhouse along Highway 52, due to concerns about legal action from residents and motorists who would be negatively affected by the extreme sun reflections from the proposed structure.

Highway 52 Corridor Plan: Zoning Administrator Garrity discussed the need for a comprehen-

2010 Legal and Public Notices

sive development plan for Highway 52 with long-term solutions to issues such as septic and sewer systems. Garrity asked the Board's permission to schedule public input meetings in March and April with the intent of eventually appointing a steering committee for the project. He said development of the Highway 52 plan will require 12-18 months to complete.

Action 1383Z: A motion was made by Freng and seconded by Johnson to authorize the Zoning Administrator to schedule a Highway 52 Corridor public input meeting on Thursday, March 21 at 7 p.m. in the Commission Chambers of the Government Center. All present voted aye; motion carried.

Planning Commission: Garrity reported three members have decided not to volunteer for re-appointment to the County Planning Commission. The outgoing members include Joyce Franklin, Paul Dummer and Chuck Gilson. The Board conducted silent votes for applicants who volunteered to fill the vacant seats. Top vote-getters were Chuck Mackey and Cynthia Franklin-Guenther for two three-year terms, and Michael Welch for a one-year term.

Action 1384Z: A motion was made by Sinclair and seconded by Freng to appoint Chuck Mackey and Cynthia Franklin-Guenther to three-year terms, and Michael Welch to a one-year term, on the Yankton County Planning Commission, effective April 1, 2013. All present voted aye; motion carried.

Action 1385DOE: A motion was made by Johnson and seconded by Freng to approve an abatement of property taxes in the amount of \$706.63 for Elsie Wirth, due to an assessment freeze she is eligible for. All present voted aye; motion carried.

Action 1386DOE: A motion was made by Johnson and seconded by Freng to approve an abatement of property taxes in the amount of \$291.24 for Ability Building Services, due to tax exempt status. All present voted aye; motion carried.

Department Credit Cards: Highway Supt. Gustad asked the Board if further consideration was given to his request in February for a credit card or debit card to pay for miscellaneous travel expenses and office supplies. Commissioners discussed setting an amount of \$1,500 or \$2,000 as a department limit on monthly purchases with a credit card. It was the consensus of the Board to invite County Treasurer Pam Marchand to the next Commission meeting to ask her opinion on how best to set up such an account for departments that request it.

Action 1387C: A motion was made by Freng and seconded by Johnson to recess the regular session of the Board and convene in Executive Session to discuss personnel issues at 6:14 p.m. All present voted aye; motion carried.

Action 1388C: A motion was made by Sinclair and seconded by Freng to reconvene in regular session at 6:59 p.m. All present voted aye; motion carried.

Action 1389AUD: Chairman Jensen announced Deputy Auditor Lois Eli has given her retirement notice, effective April 30, after working a county-record 50 years in the Auditor's Office. A motion was made by Sinclair and seconded Johnson "to accept with regret the resignation of Lois Eli, effective April 30." All present voted aye; motion carried.

Action 1390AUD: A motion was made by Johnson and seconded by Sinclair to advertise an open clerical position in the Auditor's Office for one week, beginning March 6. The Board agreed to an accelerated timeline for filling the position. This will allow the new employee to benefit from Lois Eli's experience by training with her before Eli's retirement. All present voted aye; motion carried.

Action 1391H: A motion was made by Moore and seconded by Sinclair to approve a reorganization of the Yankton County Highway Department with job description revisions. The new organization flow chart begins with the administrative highway superintendent in the first tier, followed by an assistant highway superintendent in the second tier, then the shop foreman and road crew foreman in the third tier, and highway maintenance workers in the fourth tier. A clerical assistant serving the administrative highway superintendent and assistant highway superintendent will be shared with the Planning and Zoning Office. All present voted aye; motion carried.

Action 1392C: A motion was made by Sinclair and seconded by Freng to approve a \$2,850 agreement with Arens Engineering to re-plate the old Highway Shop property. The re-plate will allow the City of Yankton adequate space for an alley, eliminate encroachments, and create lots that will make the property easier to sell. All present voted aye; motion carried.

2010 Legal and Public Notices

Register of Deeds Annual Report: Register of Deeds Brian Hunhoff provided his office's 2012 annual activity report to the Board, which included trends in real estate, vital records and various ROD projects. Hunhoff said there was a record \$81.29 million in real estate sales in Yankton County in 2012. He said there has been an increase in most real estate documents recorded in the office, except for liens which are decreasing. Hunhoff said sales of birth certificates and marriage certificates remain at historically high numbers, due in part to a 2010 state law that requires more documentation from people who apply for a driver's license. Hunhoff said his office spent \$184,310 in 2012 while collecting \$293,430 in various fees. ROD staff continues to work on scanning old records into digital images as time allows.

Action 1393ROD: A motion was made by Sinclair and seconded by Johnson to accept into the record the 2012 annual report from the Register of Deeds. All present voted aye; motion carried.

Voting Center: The County has been informed by Yankton School District officials that Yankton schools will no longer be used as voting centers for elections, due to concerns about school security issues. One example given was a scenario where a school needed to implement lockdown status during an election event. Yankton Middle School was approved by the Board on Jan. 3 as a county voting center and it will need to be replaced with a different location. Commissioners discussed various options and agreed to revisit the issue at the next Board meeting.

Action1394D: A motion was made by Sinclair and seconded by Freng to recess the regular session of the Board and reconvene as the County Ditch Board. All present voted aye; motion carried.

Action 1395D: A motion was made by Johnson and seconded by Moore to approve payment of \$3,726.83 to Pollman Excavation for work performed on the Yankton-Clay Drainage Ditch where it crosses Highway 50. All present voted aye; motion carried.

Action 1396D: A motion was made by Johnson and seconded by Moore to adjourn as the Ditch Board and reconvene in regular session. All present voted aye; motion carried.

Action 1397C: A motion was made by Sinclair and seconded by Johnson to approve the February 2013 gross payroll: **Commissioners:** \$4,811.43; **Auditor:** \$12,281.42; **Treasurer:** \$15,247.45; **States Attorney:** \$21,076.66; **Custodians:** \$2,620.26; **Director of Equalization:** \$18,259.53; **Register of Deeds:** \$11,133.53; **Veterans Service Office:** \$2,080.05; **Courthouse & Safety Center:** \$5,253.64; **Sheriff:** \$49,754.15; **County Jail:** \$47,993.95; **Coroner:** \$300.00; **Juvenile Detention:** \$110.00; **Nurse:** \$2,490.92; **Ambulance:** \$32,816.22; **Extension:** \$5,571.98; **Weed:** \$2,040.20; **Planning & Zoning:** \$3,685.48; **Road & Bridge:** \$55,046.49; **OEMHS:** \$4,346.72; **WIC:** \$1,317.89; **24-7 Program:** \$3,065.00.
