USD 16th Annual Dance Marathon This Weekend

VERMILLION — Dance Marathon will host its 16th annual fundraising event at the University of South Dakota beginning at 9 a.m. on Saturday, March 23, and continuing through 9 a.m. on Sunday, March 24.

Dance Marathon, the largest student-run philanthropy in the state of South Dakota, donates all proceeds from the event to Sanford Children's Castle of Care, the region's only affiliate of Children's Miracle Network hospitals. Money raised helps local families throughout the Midwest as the Castle of Care, which is located in Sioux Falls, is a state-of-the-art facility provided to meet the needs of an ill child, giving injured or ailing children a place to forget about their unfortunate circumstances and ultimately heal.

"Last year, more than 450 dancers at USD Dance Marathon raised \$52,000, and this year we hope to raise \$60,000," said Mandi Janicek of Omaha, Neb., overall chair of USD DM. "Because this is our 16th year, each dancer pledges to raise \$116 or more."

The 24-hour event begins at the Muenster University Center and continues at locations throughout Vermillion, including Vermillion Middle School, Vermillion High School, the USD Wellness Center, the DakotaDome, and returns to the Muenster University Center for a rave at 5 a.m. and a closing ceremony at 8:30 a.m. where this year's final donation totals will be announced. Transportation to

each location will be provided by the Security Team.

Participants are awake for all 24 hours but with a variety of events like fireworks, dance lessons from the Moral Captains, Olympic Games, and a concert performance by Paradise Fears, everyone stays active and alert. There are also inspirational meetings with families who have been helped by Children's Miracle Network.

"The families give emotional talks and the students get to listen to their stories of how children overcame their sicknesses or injuries," said Janicek. "The students get to meet and play with the kids. Meeting the families and kids really shows us that the money raised is going to something important."

Dance Marathon is a nationwide, student-run philanthropy that raises money for Children's Miracle Network, a unique organization that is committed to putting children first.

Children's Miracle Network benefits an array of pediatric programs and services, impacting young lives battling virtually every type of childhood illness and injury.

• St. Patrick's Day had real significance for Mrs. Marion Williams, who lives eight miles west of Springfield, for she received a real shamrock direct from her uncle in Ireland. The beautiful little plant had come all the way from Bishoptown, Ireland and because it had been dug from the ground with moss around it, it was just as green as before it was packed.
• Yankton high school classes in industrial arts under the direction of C. Wells, and the electrical wiring classes, under W. Giese, represent the trades departments in the Annual Builders' show tonight in the city hall auditorium.

• A total of 1,125 acres of sugar beets is signed up in Yankton county for this year, following a dinner meeting of interested farmers and businessmen at the Kochi club Thursday.

• The United Clothing Center, a not-for-profit organization, opened its doors Aug. 1, 1973. Since that time the store has turned \$128,063 into a help for needy Yankton citizenry. Since it's opening, the store has become a valuable asset to the Yankton trade area.

Guiding and serving families with compassion and trust.

“Trust that’s Earned...
Compassion that’s Heartfelt...
Sensitivity that’s Given Every Step of the Way”

Kevin, Tami and the staff were there as friends and professionals that helped my family through life’s most difficult time. They listened to our wishes and answered every detail to make my fathers service a tribute to his life.

Seeing how they handled my father’s service eased my Mother’s mind on how she would like Opsahl-Kostel Funeral Home & Crematory to handle her service. Mom knows that when her time comes, she will be well cared for, thus giving my brother and I time to reflect with family and friends.
