Weather Derails District 2AA Tournament

Due to blizzard conditions in the Sioux Falls area, play in the District 2AA Boys' Basketball Tournament was postponed from Tuesday to Thursday, March 5.

As both host sites were scheduled to host girls' District 2AA games that night as well, the schedule will be as follows:

At Lincoln High School, Yankton will face the Lincoln boys at 5:30 p.m., followed by Harrisburg and Lincoln in the girls' district championship game.

At Washington High School, Brandon Valley and Washington will face off in boys' action at 5:30 p.m., followed by Yankton and Washington in the third place game of the District 2AA girls' tournament.

Because Yankton is playing at two sites in Sioux Falls, their administration will issue tickets at Lincoln that will allow Yankton fans admittance at the game at Washington as well. Fans who plan to attend both games need to hang onto their tick-

ets in order to gain admittance at both sites.

Also on Tuesday, the District 12B boys' basketball tournament was postponed to Thursday, March 5. Games include Marty Indian at Gregory and Colome vs. Burke-South Central at Burke.

To report a schedule change, coaches and/or athletic directors are encouraged to contact the Press & Dakotan at sports@yankton.net, by fax at 1-605-665-1721 or by phone at 1-605-665-7811, ext. 106.

UND Announces Committee To Facilitate Nickname Selection

GRAND FORKS, N.D. (AP) — A committee facilitating the selection of a new nickname for the University of North Dakota is expected to submit a "short list" of potential names by early May.

UND announced the formation of the committee on Tuesday. Its 11 members include Minnesota Twins President Dave St. Peter, former UND goalie Karl Goehring (GAYR-ihng) and United Tribes Technical College President Leander "Russ" McDonald.

The committee will narrow a list of potential nicknames submitted through a public process that UND says it will announce soon. The short list of names will go to a final public vote.

State residents voted overwhelmingly in 2012 to dump UND's "Fighting Sioux" nickname, which the NCAA considered "hostile and abusive." The state Legislature put a moratorium on replacing the nickname until this year.
