## Leprechauns From V.F.W. Post 791 Auxiliary Visit Yankton

The Leprechauns from the V.F.W. Post 791 Auxiliary were once again in Yankton to share goodwill and smiles to many. We would like to thank all who participated in any way with our Special Olympic Leprechaun Program this St. Patrick's Day, March 17th. All of the proceeds from the leprechaun

and raffle will stay in Yankton to support the Special Olympics. Thank you again to our Community, Leprechauns, Ladies Auxiliary, Post 791 and the Special Olympics organization for all your support in making St. Patrick's Day a success. Hope all enjoyed a touch of the Irish.

## Gavins Point Dam Gates Repair Set For March 23

Repairs to the spillway gates at Gavins Point Dam are set to continue Monday, March 23. The repairs, which began in 2014, include the inspection, repair and painting of the 14 gates.

"The inspection of all the gates was finished in 2014," said Dave Becker, Operations Project Manager for Gavins Point. "Repair work and painting has been completed on 5 of the 14 gates. Contractors will continue work on the other nine gates through 2015 and into 2016."

On Monday, March 23, the road that crosses Gavins Point Dam will be closed from 8 a.m. through 5:30 p.m. so contractors can begin setting up equipment and barricades to close one lane of the spillway road. The lane will remain closed throughout construction. The lane closure will create a 9-foot width restriction on the open lane of the spillway. Large vehicles and trailers should con-

sider taking an alternate route.

Extra traffic lights will be added to help with traffic flow. There will be delays of up to 4 minutes in spillway area throughout the repair process. The public is asked to use caution and obey all traffic control signals and/or flagmen to ensure the safety of everyone in the area.

Additional closures are scheduled for the following dates:

- Monday, March 30, at 8 a.m. through 5:30 p.m.
- Friday, April 3, and Monday, April 6 at 8 a.m. through 5:30 p.m.
- Friday, April 10.

These closures will include overnight hours. There will be periodic closures throughout duration of the construction.

People can stay informed about upcoming road closures by checking, [www.nwo.usace.army.mil/gavinspoint](http://www.nwo.usace.army.mil/gavinspoint) or by calling (402) 667-2546.

## MMC's Inaugural Day Of Calling Set For March 26

Recently, a generous challenge grant, totaling \$45,000, was created at Mount Marty College, benefiting student scholarships. Five donors came together to establish the challenge grant, and to help spread the word about this great generosity, the college will be holding the inaugural Day of Calling on Thursday, March 26. The challenge grant donors have challenged our alumni and friends to share in this act of generosity.

During the Day of Calling, staff, faculty and student volunteers will be calling MMC alumni from 10 a.m.-8 p.m. These volunteers will be asking for scholarship gifts that will be matched by the challenge grant. All first-time scholarship gifts and all increased scholarship gifts will be matched dollar-for-dollar, essentially doubling the impact of scholarship gifts. The matching funds will be available through the end of 2015.

In addition to the volunteer callers some MMC Stars will also be calling. Retired MMC administrator and baseball coach, Bob Tereshinski and professor of history Dr. Richard Lofthus are just two Stars that alumni and friends can call in and talk to directly. Not only is this Day of Calling a great opportunity to connect with some MMC Stars, but also a great opportunity for current MMC students to connect with

our alumni. MMC students are excited to talk with alumni from all the schools that have been connected with the college, including Mount Marty High School and the Sacred Heart School of Nursing.

One of the MMC challenge grant donors, Dan Specht, feels this is an important day for the college. "Supporting students through scholarship opportunities allows for educated and well-rounded people to make a difference in our world. Mount Marty helps develop the types of outstanding individuals who live and work in our region."

The volunteer callers will be calling from mainly from their own cell phones so we encourage friends and supporters of MMC to please answer any unknown numbers that day.

The donors for this challenge grant include Dr. Al Kurtenbach of Brookings; Dan and Deb Specht of Yankton; Jean (Dee) Smith of Yankton; David and Jan Johnson of Watertown; and Dr. Richard and Mrs. Diana Foster of New Castle, Indiana.

If any MMC alumni or friends would like to call in to give a gift or pledge, call the MMC Office of Advancement at 605-668-1542. For more information about this event and the challenge grant, visit [www.mtmc.edu/impact](http://www.mtmc.edu/impact) or email [shannon.viereck@mtmc.edu](mailto:shannon.viereck@mtmc.edu).
