Area Agencies Receive Grants From 'Komen For The Cure' Program

MITCHELL — Women and men, including current breast cancer patients and survivors, will benefit directly from this year's South Dakota Affiliate of Susan G. Komen for the Cure grant program.

The South Dakota Affiliate of Susan G. Komen for the Cure, one of more than 125 affiliates nationwide dedicated to putting an end to breast cancer, recently provided community grants totaling $236,650 to support breast health education and breast cancer screening and treatment programs throughout the state. Priority for funding was given to programs benefiting those who are un-insured or under-insured, and those in rural/remote locations.

"Despite a challenging economy, people in South Dakota understand the need to continue the fight against breast cancer and they helped make it possible for the South Dakota Affiliate to provide $236,650 to help South Dakotans in the fight against cancer," said Kathy Manning, president of the Komen South Dakota Affiliate. "To ensure our funds are making the greatest impact, the Komen South Dakota Affiliate works with local medical experts and community leaders to conduct comprehensive community needs assessments. We have identified specific, unmet breast health needs within our state and 'filled in the gaps,' delivering the life-saving message of early detection, and providing assistance to medically underserved breast cancer patients and their families."

Area South Dakota agencies receiving 2010 grants are:

• Avera St. Benedict Health Center, Parkston, for breast health awareness, education and screenings for rural women.

• Platte Health Care Center Avera, Platte, for breast health awareness, education and screenings for up to 15 rural women.

• Yankton Rural Health Education Center, Yankton, for the training of four rural health care providers from Yankton and Sturgis who will provide breast health education in 15 rural communities across the state.

The South Dakota Affiliate of the Komen Foundation will hold its third annual Race for the Cure on Sept. 26, in Vermillion. Funds raised through this event are used to support programs like those listed above. For more information about grant opportunities or the South Dakota Race for the Cure visit www.komensouthdakota.com or call 605-990-2873.

YSD 63-3 FUNDRAISING

SUBMITTED PHOTO

Yankton Education Association representatives recently presented Susan Goeden with a check in the amount of $3,415. The money was raised by school district employees to help defray medical expenses for Goeden, a YHS and USD graduate, who was recently diagnosed with Large B Cell Non-Hodgkin's with characteristics of Hodgkin's Lymphoma. She will receive six chemotherapy treatments at the University of Nebraska Medical Center during the next 18 weeks, followed by radiation. Goeden has taught in the Yankton Public School system at YMS, Stewart Elementary, and for the past six years in Jr. Kindergarten at Webster Elementary. Further fundraising efforts are currently under way, and an account has been set up at Wells Fargo. If you are interested in purchasing raffle tickets, they can be obtained at Webster Elementary or ShurCo. Saturday for Susan is being planned for Saturday, May 15 at Memorial Park.

Library's Online Survey Still Open

Residents of the City of Yankton and Yankton County are encouraged to take the library's online survey that addresses the future of the Yankton Community Library.

The survey, which will take you less than ten minutes to complete, asks questions about the current programs and services of the library and what you would like the library to offer in the future. Go to the library's home page, http://www.cityofyankton.org/yankton/library/index.php, and click on Library Survey on the left side of the page. The survey will be open until May 22.

We encourage all people who participated in the focus groups to take the survey as well as these questions give us quantitative answers. At the conclusion of the online survey, District III will compile all of the information from both the survey and focus groups and present it to the Building Task Force.

For more information, contact the library at 668-5275.
