# Compassionate Cancer Care

## Expertise. Diagnostic Screening. Close to Home Care.

When you're diagnosed with cancer, all of these words become critically important. But to us, they are not just words. They are the tools we use day to day to help fight cancer. We become your team of care partners assisting through capable image reading, solid screening techniques, complete oncology care, and when needed – surgery. Everyone you need is right here in one building. Yankton Medical Clinic, PC. Where you can receive so much cancer care, so close to home.
