**NOW HIRING!**

**Your most rewarding job will be your toughest!**

*It's a fact of life...*

We are looking for a **Community Supports Supervisor** to support the people we serve in their homes and in the community. SESDAC serves over 70 adults with developmental disabilities in the Vermillion area. You will be responsible for management of a community based group home that supports adults to live and work in the Vermillion area. Minimum qualifications are as follows: 5 years combination of college education and D/D experience. (3 of the 5 years must be college education). BA/BS degree in related field preferred. Salary range will be \$26,143/yr or more depending on education and experience. This individual must have excellent verbal and written communication skills, great attitude, computer use capabilities, and be very flexible. Primary duties include providing supports to the individuals including: personal finances, community inclusion, direct support, current and long range support plans, medication administration, leadership, supervision of employees, etc. This position will also have some On-Call responsibilities. This position is generally Monday through Friday with mostly daytime hours. We offer a great benefits package including paid health and dental insurance, matching 401K plan, generous personal and sick leave and a great family oriented organization.

**Do you have what it takes to make a difference?**  
 Please come out and apply - 1314 E. Cherry St., Vermillion, SD 57069 or apply on our website at Sisdac.org.

**Celebrate Better Hearing & Speech Month by Recognizing the Typical Signs of Hearing Loss in Children**

- Inconsistently responding to sound
- Delayed language and speech development
- Unclear speech
- Sound is turned up on electronic equipment (radio, TV, CD player, etc.)
- Does not follow directions
- Often says "Huh?"
- Does not respond when called
- Frequently misunderstands what is said and wants things repeated

Hearing loss in children can occur at birth or as a child grows older due to chronic ear infections or exposure to noise. Unless at high risk for hearing loss, children should have a certified hearing screen by an audiologist before they begin school. While in school, children's hearing should be screened in kindergarten through 3rd grade, and then in the 7th and 11th grades.

**Don't delay! Contact us to arrange for your child's hearing screen by our audiologists today!**
