Another Player Leaves University Of Minnesota Men's Basketball Program

OWENSBORO, Ky. (AP) — A freshman center has transferred from the University of Minnesota to Kentucky Wesleyan, where he'll be reunited with his high school coach.

Dominique Dawson will have three seasons of eligibility with the eight-time

NCAA Division II champion Panthers. The 6-7 245-pounder saw limited action as a redshirt freshman at Minnesota, playing in 10 games.

Dawson averaged 23.1 points, 15.4 rebounds and 3.5 blocks per game as a senior at Minneapolis Southwest High School, where he played for current Ken-

tucky Wesleyan assistant coach George Hemmingsen.

Kentucky Wesleyan coach Todd Lee told The Courier-Journal that Dawson's experience playing in the Big Ten and his ability as a rebounder will help the Panthers.

Area Runners Shine On Final Day Of Class D Meet

BY ROYAL MCGREGOR

sports@yankton.net

OMAHA, Neb. — Runners for local area teams shined on the final day of the Nebraska State Class D Track Meet, Saturday at Burke Stadium.

Austin Hamm, Shante Conway and Breanna Gallup all posted top-five finishes on the second day of the state meet.

Hamm of Bloomfield took top honors in the 3200-meter run on day one and he was looking for his second gold medal. The Bees' runner bested Brock Taute in the 3200 the day before, but Taute evened the score on the second day.

"It's helpful running against somebody that is almost the exact same caliber of runner as you," Hamm said. "I think helps both runners improve their times and better showing of themselves down here."

It was a major leap from last year's finish, where Hamm failed to place in the top eight. He knows that this is just a step in the right direction going into next season.

"I did want the gold, but a ran my personal best by nine seconds," Hamm said. "I didn't medal my freshman or sophomore year and suddenly step from 11th to third that felt good."

For Newcastle, Tyler Mohr took eighth place in the 800-meter run (2:04.94) as he ran in the fastest heat.

Chad Boeckman of Wynot placed eighth in the discus last year and improved his placement this season with seventh place (141-7). Boeckman came into the meet with a throw of 131-feet-2 and improve his length of over 10 feet to place.

On the girls side, Shante Conway of Bloomfield failed to make the finals of the 200-meter dash and placed eighth in the 100-meter dash. Conway quickly forgot about last season with two third place finishes in the 100 (12.95) and 200 (26.45).

"I'm pretty with how I did today (Saturday)," Conway said. "It feels good getting two third place medals. I think have a feel for the state meet the second time around. I think that really helped."

Also for the Queen Bees, Kylie Abbenhaus notched eighth place in the shot put (35-3.5). Dominique Swanson vaulted 7-feet-6 to win the district meet and improved by six inches to claim eighth place in the pole vault (8-0).

Breanna Gallup might only be a freshman, but she was able to break three school records including the 3200 run that she placed third on day one. Gallup took two fourth place finishes in the 800 (2:22.8) and 1600-meter run (5:31.55) as Lindsay Holy Family's Andrea Weeder took first in both events.

Bloomfield's Shante Conway gets out of the blocks during the finals of the Class D girls' 200-meter dash at the Nebraska State Track Meet Saturday in Omaha, Neb. The Mount Marty track and field recruit earned two medals on the day, third in the 100 and 200.

"It was kind of intimidating running against someone (Weeder) that good," Gallup said. "I'm going to make sure I work harder to get in that top three."

For the new co-op Niobrara-Valley Cougars, Tess Ives came out of

her second heat in the discus to grab a seventh finish (105-11).

The Wynot Lady Blue Devils' Ashley Heine ended her sophomore season with a sixth place finish in the 400 (1:00.08) and eighth in the 800 (2:24.65).

Class C

Alexis Steffen and Katelyn Dickes.

"We've been preparing all year, Crofton is down here with their team and we run against consistently throughout the year," Dickes said. "Just running against them prepares us for this level of competition."

Dickes medaled in the 300-meter hurdles taking a fourth place win (47.07).

"Last year I made it in the 300 hurdles, but I fell on the last hurdle" Dickes said. "I was really ex-

cited to make finals this year and getting fourth is icing on top of the cake."

Crofton scored some team points in the 400-meter relay in a sixth place finish (52.04) with team members Jenny Suing, Holly Hegge, Jordan Braunsroth and Danielle Riesberg.

Regge and Riesberg helped out the Lady Warriors with another sixth place finish in the 1600-meter relay. The final two members of the team was Bridget Arens and Jordan Sanger. Riesberg took sixth in the 400 dash (59.84).

In the boys' division, Neil Kramer of Hartington ended day one with a third place finish in the high jump, a fourth place in the 110-meter hurdles (15.3) and a

sixth in the 300 hurdles (41.43).

Also for the Wildcats, Adam Hochstein managed to finish sixth place in a very physical 1600-meter run (4:39.64).

"Everybody was tripping over everybody," Hochstein said. "One guy fell, 'I was like ahhh! I don't know what I would do if I fell."

Crofton's Trent Arens also ran in the 1600 run and had to look up at the scoreboard to see if he medaled. Arens scored the eighth place (4:39.64) in the event.

"I kind of got a little tired at the end, but I looked up and got eighth, so I medaled," Arens said. "I thought right away the pack was going to split up, but it didn't it was like bumper cars out there."

B Girls

enjoy going to state.

"This is our first time we've taken a full team to state," Gittings said. "I just want them to gain valuable experience and play their best. Every year it changes and they're just high school kids, which I think people need to remember."

Parker also had three golfers qualify for the state meet. Allison Sanner led the team with 103 strokes and sisters Micalanne and Emily Hanten also qualified with scores of 110 and 117, respectively. Head coach Dave Fuller said although the Hantens joined late last year, they've been seeing improvement.

"(The Hanten girls) have been playing really well lately. Their scores continue to go down,"

Fuller said. "Our youngest girl, Allison, has been improving the most. She's been driving the ball well and she still has a lot of years left."

Fuller said he was surprised Parker qualified a team, but that just shows how hard his girls have been working. Heading into state, Fuller said he's not looking for the team to do well, but for the girls to do well individually.
