6:30 p.m. and 9:30 p.m., the shuttle will run every half hour.

The shuttle on Saturday will run every 15 minutes between 2 p.m. and 5 p.m., and between 9:30 p.m. and midnight. Between 5 p.m. and 9:30 p.m., the shuttle will run every half hour.

Additionally, parking can be found behind the middle school and in the open field south of 23rd Street on Douglas Avenue. Street parking is also available in the area.

Mulberry Street between 19th and 21st streets will be closed Friday and Saturday for ADA parking and for use by the bands.

Vendors in the park will open an hour before the music gets under way on Friday and Saturday.

Monday's commission meeting was short, wrapping up in about 15 minutes. City Manager Doug Russell was absent, which was in part why there was a short agenda. Commissioners Dave Carda, Charlie Gross and Nancy Wenande were also not present.

In his opening remarks, City Finance Officer Al Viereck said that the Menards development on Yankton's north side is moving ahead.

"Everything has went through as far as the land transfer," he said. "We anticipate bids being opened either later this week or early next week. You should see some dirt movement start within the first week of June. Everything is full steam ahead on the Menards development."

Also Monday, the commission closed out the \$126,000 reconstruction of 21st Street from Valley Road to Peninah Street and had a first reading of an ordinance that establishes the criteria for providing fire protection and sanitary sewer service to areas that do not use metered water from the City of Yankton.
