# TUNE IN

## Hammer Unscripted

Most of the time, people who work behind the microphone at radio stations aren't often recognized in public.

That's not the case with Randy Hammer, the man who for three decades has been a consistent morning presence to people in the Vermillion and Yankton area who prefer to receive local information right away after they awake each morning.

When he's not in the studio of the Five Star Communications-owned KVHT-FM Classic Hits 106.3 and ESPN Radio 1570 KVTM-AM in Yankton, he can be found on location, giving listeners information at various happenings and promotions in the region.

## Begin the healing

When a funeral is well planned, it offers us a perfect time and place to remember the life of a loved one. And it offers family and friends a way to begin the healing. Talk to our caring staff when the need arises. We will help you mark the occasion with sensitivity, compassion and respect.
