# Several Tire Slashings Reported Over The Weekend In Yankton

**BY NATHAN JOHNSON**  
 nathan.johnson@yankton.net

A vehicle vandalism spree in Yankton during the weekend resulted in thousands of dollars of damage, according to the Yankton Police Department.

Lt. Todd Brandt said a total of 18 cars had their tires flattened with an unknown device during the weekend. The number of tires damaged or destroyed came to 30, he said.

Brandt estimated the value of damage at approximately \$3,500.

A couple of the incidents stretch back to Thursday night, but most of the cases occurred

Friday night and were reported Saturday.

"We cannot positively connect the vandalism on Thursday to the cases that occurred over the weekend, but we can speculate that they could be connected," Brandt said. "We are pursuing a lead on a possible suspect, but have not made any arrests at this time."

Anyone with information regarding these crimes is asked to contact the Yankton Police Department at (605) 668-5210 or Crime Stoppers at (605) 665-4440.

## ON THIS DATE

**75 YEARS AGO**  
**Saturday, May 21, 1938**  
 • The 1938 corn crop, which the government hopes to restrict to less than bumper proportions for fear of another big surplus this year, is off to a late start because of heavy rains, a survey showed today. In striking contrast to conditions two and four years ago, rains have bogged down field operations on many farms.

• Two 12-year old girls, Betsy Croft and Betty Sterling, who ran away here (Sioux Falls) were apprehended in a Sioux City bus station by police and returned to their homes. They had planned to go to California, it was learned.

**50 YEARS AGO**  
**Tuesday, May 21, 1963**  
 • Maurice Diehl of Springfield, formerly of Yankton, is due to embark shortly upon a professional junket which will set him down in The Cameroons, West Africa for the next five or six months. A civil engineer, he will be located in an engineering camp at Mamfe, doing surveys for a 70-mile strip of mountain road being built there.

• Sen. Karl Mundt, R-S.D., said Saturday he's pushing a pilot program to set up a program for training South Dakota Indian girls to be practical nurses. Mundt is sponsoring a provision in the appropriation for the interior department, to allocate \$210,000 for

the nursing program for the fiscal year starting July 1.

**25 YEARS AGO**  
**Saturday, May, 21, 1988**  
 • Yankton Middle School held its awards day program Thursday. Joey Lefdal and Mindy Glover received the American Legion awards. Instructors nominate students for qualities such as courage, companionship, scholarship, leadership and service.

• Thunderstorms brought needed rain, as well as some unwanted hail, to southeastern South Dakota Friday, but county agents called the timing of precipitation just about right.
