CITY OF YANKTON SENIOR ENGINEERING TECHNICIAN

The City of Yankton is seeking qualified applicants for the position of Senior Engineering Technician with the Public Services Department. This position requires a basic understanding of civil engineering practices and a knowledge of computer aided drafting techniques. Work involves assisting the Civil Engineer in the design, construction, record and document keeping, and drafting of public improvements projects. This position designs and prepares construction drawings and specifications for bid; assists in the coordination and sequencing of construction projects; performs soil, asphalt and concrete tests; measures and records as-built and payment quantities and locations; performs acceptance test on watermain and sewer lines; attends pre-construction meetings; and meets with citizens regarding concerns or complaints during construction projects.

Applicants must have an Associates Degree in Civil Engineering or Architectural Drafting, Civil Engineer Degree, American Concrete Institute Field Technician Grade 1 certification; four (4) years full time technical Auto CAD drafting, surveying and staking, construction review and testing related to public works and general construction work; and be able to obtain a valid South Dakota drivers license. Directly related experience may substitute for education. This is a regular full-time position. The salary range for this position is Range 37, \$39,432 to \$49,921.

Applications are available from the Human Resources Office at 416 Walnut Street, Yankton, SD 57078, by phone at (605) 668-5222, or on the City website www.cityofyankton.org. Persons needing accommodation in order to apply for this position should contact (605) 668-5222. Deadline for applications is June 6, 2013.

New employees must meet pre-employment physical and drug screen requirements.

The City of Yankton is an equal opportunity provider and employer.
