Mead Update

PHOTO: DAKOTA TERRITORIAL MUSEUM

Approximately 100 volunteers from various local organizations toured the first floor of the Mead Building Tuesday as part of United Way's salute to volunteers. Visitors got only a taste of what the public will get to see at the Community Open House on Sunday, May 25 (1-3 p.m.). On that day, visitors will get the chance to visit all three floors and see the work that has been done. In preparation for the big event, onsite crews have been busy working on the front door and window assembly. The main door framing has been stripped to the original oak. Our project manager, Gregg, says a floor buffer or floor scrubber would come in handy getting the floors in Mead looking nice. We also encourage you to check out www.meadbuilding.org. Here you can see our Gregg's List for tools and supplies needed for the project, as well as make monetary donations to the project. If you have questions or would like more information about the project, please contact the Dakota Territorial Museum at 610 Summit Street (in Westside Park), on Facebook, or call us at 605-665-3898.
