

GPAC Tourney: Morningside Ends Mount Marty's Season

Mount Marty's Jared Miller follows through on a leadoff double during the second inning of the Lancers' game with Morningside on Friday.

BY JAMES D. CIMBUREK
james.cimburek@yankton.net

MITCHELL — Friday's of the Mount Marty College baseball season mirrored the season itself. MMC got off to a 4-0 lead, trailed 18-5 after seven innings and finished strong, but not strong enough in an 18-10 elimination loss to Morningside Friday at Mitchell's Cadwell Park in the Great Plains Athletic Conference Baseball Tournament. The Lancers finished with a 24-23 record, an above-.500 record for a team that at its low point, was 16-18 overall, 1-10 in the GPAC. Adam Smith went 4-6 with

a double and three RBI to lead Morningside's 15-hit barrage. Cole Halgerson had a pair of doubles. Jacob Lamoreaux, Nate Clark and Blake Meacham each had two hits for the Mustangs, who advanced to face Midland in an elimination game later Friday. Julian Cutolo had a season-best three hits to lead MMC. Jared Miller had a pair of doubles, giving him 17 for the season and a Lancer-record 56 doubles. (His final school-record hits total finished at 242, including a career-high 68 this season.) Michael O'Connell also had two hits. Nik Davis tripled, and Zac Hollenback, Derrik Nelson and Derek Blumen-

stock also had hits for the Lancers. Alex Groth picked up the win in relief, pitching 2 1/3 scoreless innings after starter Greg Scott gave up four runs in 1 2/3 innings. Derek Frahm pitched the final five innings, striking out four. Dominic Wieseler took the loss, allowing 15 runs, 10 earned, in 4 1/3 innings. Dustin Haffeman, Alex Mogenssen and Jon Hass finished out the game. "Dom battled. That's not the way you wanted to see him go out, with everything he's done for the program," said MMC head coach Andy

'Kruse-ing' To Victory At Howard Wood

Yankton Senior Sets Pace In Girls' 3200

BY JEREMY HOECK
jeremy.hoeck@yankton.net

SIOUX FALLS — Annie Kruse led her 3200-meter run from start to finish by enough of a distance to even survive a brief tumble. The Yankton High School senior easily won the girls' 3200-meter run on Friday at the Howard Wood Dakota Relays in Sioux Falls, but later sported a good-sized scrape after falling on the back stretch. "I just fell down, and I have no idea what the heck happened," Kruse said, at least able to muster a smile. "If not for that, I'd be more happy with it (race). I thought I might go for a PR." Coming up short of her personal best of 10:48, Kruse finished with a time of 11:03.91 to win the event by nearly 11 full seconds to highlight the day for Yankton athletes. Kruse, though, said later she was anxious to run against Rapid City Stevens standout Tamara Gorman, who was initially slated to compete but did not run. Instead, Kruse had to find an extra gear within herself out in front of the pack. "It's hard to push yourself when you're all alone," she said. Kruse, though, wasn't the only area standout in the 2-mile. Vermillion's Maddie Lavin finished sixth, while Yankton's Savannah Woods was ninth. Laura Nelson of Gayville-Volin won the first heat and took 11th place overall, one spot in front of Yankton's Maddy McClure. The Bucks and Gazelles had athletes competing in two events on Friday, as they were also represented at the

Annie Kruse, left, of Yankton looks up at the scoreboard to check her first-place time in the girls' 3200-meter run on Friday night at the Howard Wood Relays in Sioux Falls. The runner on the right was a lapped runner.

Big Meets In Sioux Falls, Norfolk Reshape Rankings

Lauren Sokolowski, left, of Irene-Wakonda competes in the girls' 100-meter hurdles semifinals on Friday at the Howard Wood Relays in Sioux Falls. Sokolowski ran a 14.6 at the Jim Fievares Relays a week ago, and leads the P&D Leader Board in that event.

JEREMY HOECK/P&D

This is the Press & Dakotan Leader Board for the 2014 season. To qualify, an area athlete must post the mark at a varsity meet.

NOTES: I-posted indoors; R-current record; S-posted at post-season meet; C-Converted from fully-automatic timing. All-time marks are in bold, with the year they were achieved.
