Mead Update

PHOTO: DAKOTA TERRITORIAL MUSEUM

The Mead Building is really starting to come together for the Community Open House on Sunday, May 25 (1-3 p.m.). Another stencil has been uncovered at Mead — Gregg found one while working on the balcony ceiling. Things are moving forward in the basement. There are still a lot of things to do but it will be well worth it when you all come to visit. Pass the word — may be another year before you get to see it inside. Today's photo was taken from the east parlor room looking east. Please check out www.meadbuilding.org. Here you can see our Gregg's List for tools and supplies needed for the project, as well as make monetary donations to the project. If you have questions or would like more information about the project, please contact the Dakota Territorial Museum at 610 Summit Street (in Westside Park), on Facebook, or call us at 605-665-3898.
