# **USD's Minogue Earns Summit**

### League Honors

ELMHURST, III. - South Dakota's Yvon Minogue was named Summit League Player of the Week on Monday, marking the third time this season and the third time of her career that she was honored.

Minogue led USD to a 7-0 week, batting .556 (15-27) while driving in seven runs, including a game-tying home run in the seventh inning of a 4-3 win against Kansas City. The junior had three 3-hit games and three 2-hit games in helping the Coyotes wrap-up the second seed for the upcoming Summit League Softball Championships.

Minoque finishes the season as the league's leader in batting average (.481) and broke The Summit League record for hits in a season with 87 and doubles in a season with 26.

North Dakota State's Krista Menke earned pitcher of the week honors for a record ninth time this season and 19th time in her career after tossing her fourth no-hitter of the season as the Bison clinched the Summit League regular season title.

NDSU and USD will be the top two seeds in the Summit League Softball Tournament, which begins on Wednesday in Fargo. Opening round games Wednesday will feature Western Illinois against South Dakota State at 3 p.m., followed by IUPUI against Fort Wayne at 5:30 p.m.

The Bison will play the WIU-SDSU winner at noon on Thursday, followed by USD against the IUPUI-Fort Wayne winner at 2:30 p.m. The double-elimination event concludes on Saturday, with the championship at 1 p.m. and the "if necessary" game at 3:30 p.m.

Tammala added, "It's not a real cricket-ball game they play here. We take a tennis ball and wrap it with electrical tape; so it behaves like a cricket ball. But it doesn't hurt you, so you don't need the pads, the helmet.

That's what the whole world is playing now. Everywhere it's happening.'

While the SDSU club members now play cricket in a more relaxed, recreational and social setting, some have played the real-deal, leatherball version.

Tummala said, "When I was in university in India, I played for my university team. That was the real cricket. But now we don't have the protective gear.

# Craig Counsell Hired As Brewers Manager

MILWAUKEE (AP) — Craig Counsell enjoyed a solid but unspectacular major league career, hitting. 255 over 16 seasons. He is confident he

will have more success as a manager. "It's an honor, and it's humbling, but I feel like this is what I was meant to do," Counsell said at a news conference Monday after he was hired to replace Ron Roenicke as manager of the Milwaukee Brewers. "I think I'll be better at this

than I was at playing." Counsell, a 44-year-old Milwaukee native, spent the final five seasons of his career with the

Brewers, retiring after the 2011 season. "I'm not looking at this as a job. This is my passion and what I want to do," he said. "These opportunities are rare. This opportunity is the one, and it's the rarest." Counsell was a winner in his debut Monday

night when the Brewers beat the Los Angeles Dodgers 4-3 to improve to 8-18 — still the worst record in the majors despite a three-game winning streak.

Before the game, Counsell held a team meeting.

"It was a simple message for me, on some things that are important to me and I'm going to emphasize and be on them about," he said. "I really just want them to be open to what we're going to do going forward. That's what I ask of them. Open yourselves up to new things, and to be better, and to trust each other, and then we're

Sadhu said the SDSU Cricket Club is the only organized club in South Dakota, and it's done well in competition. The club recently won a tournament in Mankato, Minnesota, finishing first of eight clubs competing. This tournament has been going for about the past 10 to 15 years.

Tummala asid that in 2014 there were 12 teams that competed. SDSU won the tournament in 2008 and was runner-up in 2011.

Additionally, the club organizes cricket games and demonstrations around a variety of social gatherings. Tummala added. 'Every year we invite all the dorm students to introduce cricket to them. They'll come and provide the drinks. They have fun and watch cricket. Every year we do one or two activities like that.' Additionally, he's working

to set up a cricket demonstration at Camelot Intermediate School, where his son is a student.
