Weather Sidelines Area Teams

Monday's cold and rainy conditions caused several changes to area athletic schedules. As announced in Monday's Press & Dakotan, the Yankton boys' tennis team's trip to Sioux Falls to face Roosevelt and O'Gorman was canceled. Roosevelt's match with Vermillion, also scheduled for Monday, was postponed and the schools will try to find a date for that event. The Yankton club high school varsity and JV baseball games at Sioux Falls Washington, scheduled for Monday, were canceled. They will not be made up. The junior high track meet featuring Bon Homme at Ethan-Parkston was postponed.

Corrections

Due to incorrect information supplied to the Press & Dakotan, there have been errors in the results of recent track meets. For the First Dakota Relays on May 7, Yankton's Brady Jaquith won the boys' varsity 3200 m in 11:46.60. For the Junior High Relays on May 9, the name of Seth Higginbotham of Norfolk was listed as "Sam."

NFL Suspends Brady Four Games

NEW YORK (AP) - The NFL came down hard on its biggest star and its championship team, telling Tom Brady and the Patriots that no one is allowed to mess with the rules of the game. The league suspended the Super Bowl MVP Monday for the first four games of the season, fined the New England Patriots \$1 million and took away two draft picks as punishment for deflating footballs used in the AFC title game. Each player, no matter how accomplished and otherwise respected, has an obligation to comply with the rules and must be held accountable for his actions when those rules are violated and the public's confidence in the game is called into question. NFL executive vice president of football operations Troy Vincent wrote to Brady. The Patriots lose next year's first-round pick and a fourth-round choice in 2017. Brady would miss the season's showcase kickoff game on Sept. 10 against Pittsburgh, then Week 2 at Buffalo, a home game against Jacksonville and a game at Dallas. He will return the week of a Patriots-Colts AFC championship rematch in Indianapolis. He would be replaced by Jimmy Garoppolo, a 2014 second-round selection from Eastern Illinois who won the Walter Payton award as the best player in the FC. He has thrown 27 NFL passes, including one touchdown. Brady has three days to appeal the suspension to Commissioner Roger Goodell or his designee. His agent, Don Yee, said "the discipline is ridiculous and has no legitimate basis" and that Brady will appeal.

The conditions at Fox Run were windy, cold and misty. In other words, as Mader said, normal practice conditions.

"We practice in conditions like this all the time to prepare for days like this," he said. "So I was ready for it."

Mader was 15th in the pre-region tournament, held May 4. He credited a number of things for allowing him to jump to the top of the list. "My chipping and putting saved me," he said. "I also kept it in the fairway off the drive. I tried not to get into trouble."

Coach Stoltenburg had similar advice for the rest of his golfers. "We talked about not trying to play the wind," she said. "If you overswing, the wind can exaggerate a bad shot." Despite the conditions, Garretson's Region score was only two strokes worse than their pre-region round. Every other team that competed in the pre-region was at least 10 strokes worse in the Region 3B meet.

Girls' Division

Faced with far-from-ideal golfing conditions, participants at Hillcrest had to not only battle a course known for its abundance of trees but windy and cold conditions Monday. "It was definitely cold and windy," said a smiling Maisie Hurd of Bridgewater-Emery, who joked that she performed better at last week's pre-region tournament.

"The course is in great shape," she said. "If the weather is more cooperative, there should be some good scores." And Mader expects to be one of those low scores. "It's all about staying out of trouble, playing inside yourself," he said. "You need to come out and not let the moment get to you." Besides Jensen, Viborg-Hurley's Cody Thompson (93), Parker's Jayden Korthans (97) and Trey Christensen (99), Alcester-Hudson's Grant Johnson (97) and Zach Ronning (99), Freeman Academy's Ian Hofer (98), Freeman's Levi Waldhauser (99) and Irene-Wakonda's Landon Larsen (103) all made the cut to qualify for state as individuals. --James D. The conditions at Fox Run were windy, cold and misty. In other words, as Mader said, normal practice conditions.

"We practice in conditions like this all the time to prepare for days like this," he said. "So I was ready for it."

Mader was 15th in the pre-region tournament, held May 4. He credited a number of things for allowing him to jump to the top of the list. "My chipping and putting saved me," he said. "I also kept it in the fairway off the drive. I tried not to get into trouble."

Coach Stoltenburg had similar advice for the rest of his golfers. "We talked about not trying to play the wind," she said. "If you overswing, the wind can exaggerate a bad shot." Despite the conditions, Garretson's Region score was only two strokes worse than their pre-region round. Every other team that competed in the pre-region was at least 10 strokes worse in the Region 3B meet.

Faced with far-from-ideal golfing conditions, participants at Hillcrest had to not only battle a course known for its abundance of trees but windy and cold conditions Monday. "It was definitely cold and windy," said a smiling Maisie Hurd of Bridgewater-Emery, who joked that she performed better at last week's pre-region tournament.

"The course is in great shape," she said. "If the weather is more cooperative, there should be some good scores." And Mader expects to be one of those low scores. "It's all about staying out of trouble, playing inside yourself," he said. "You need to come out and not let the moment get to you." Besides Jensen, Viborg-Hurley's Cody Thompson (93), Parker's Jayden Korthans (97) and Trey Christensen (99), Alcester-Hudson's Grant Johnson (97) and Zach Ronning (99), Freeman Academy's Ian Hofer (98), Freeman's Levi Waldhauser (99) and Irene-Wakonda's Landon Larsen (103) all made the cut to qualify for state as individuals. --James D.
