

USS Scorpion Historical Marker

Walnut Street & Riverside Drive
Presented by U.S. Submarine Veterans WWII South Dakota Chapter, this historical marker is located near the Missouri River on the West side of the Meridian Bridge. Scorpion was launched on July 20, 1942 and their first patrol was a hunting and mining mission near Honshu, Japan in April 1943. Scorpion went on three patrols that earned her a battle star. She was involved with a series of torpedo attacks and gun battles. On Jan. 5, 1944, Scorpion rendezvoused with Herring to transfer an injured man, but heavy seas prevented a safe transfer. Scorpion and 77 courageous crewmen were never seen again.
