USD's Haase Voted To Academic All-District

VERMILLION — South Dakota senior Brant Haase has been named to the Capital One Academic All-District 6 men's track and field/cross country team as selected by College Sports Information Directors of America (CoSIDA).

A native of Lemmon, Haase carried a perfect 4.0 grade point average for four years in earning his bachelor's degree in health sciences. He plans to pursue a graduate degree in pharmacy.

Haase earned all-Summit League honors in cross country and outdoor track and field. He led the Coyotes this fall with a fourth-place finish at the Summit League Cross Country Championships. At the league outdoor championships he finished runner-up in the 10,000 meters after crossing the line in 30 minutes, 27.57 seconds. He added fourth- and fifth-place finishes in the 5,000 meters at the indoor and outdoor meets, respectively.

This is Haase's first CoSIDA honor, although he has earned a spot on four Academic All-Summit League teams.

As an all-district selection, Haase advances to the national ballot to be considered for Academic All-America honors next month.

Coyotes Edge Out Jacks In Showdown Series

SIOUX FALLS — South Dakota topped South Dakota State 14-13 in the annual South Dakota Showdown Series, a point-based athletic and academic competition between the two in-state university rivals. The official announcement was made by South Dakota Corn Utilization officials Thursday.

The Coyotes outscored the Jacks 11-10 in athletic competitions to bring the traveling trophy to Vermillion for the first time. Those points were decided in head-to-head competitions and Summit League Championship finishes in 17 men's and women's sports. Both programs scored the maximum three points allotted for academic achievement for compiling a student-athlete grade point average above 3.0.

Three USD Teams Land On NCAA Award List

VERMILLION — The University of South Dakota men's cross country, men's golf and softball programs were honored with the NCAA Public Recognition Award. The honor is awarded to teams whose most recent Academic Progress Rates (APR) are among the top 10 percent in the sport. This season's awards are based on 2013-14 figures.

Men's golf earns the award for the fifth consecutive year with a perfect multi-year APR of 1,000. Men's cross country and softball also notch perfect multi-year APRs of 1,000.

The NCAA Public Recognition Award is a multi-year progress report, but South Dakota had seven programs with perfect APR scores for the 2013-14 academic year. Men's cross country, men's golf, men's swimming, men's indoor track, men's outdoor track, softball and volleyball all recorded a perfect single-year APR score of 1,000.

Wynot's Cortney Arkfeld, front, wins her heat of the Class D girls' 400-meter dash on Friday at the Nebraska State Track Meet in Omaha. She was the top qualifier in the 400 and anchored the Lady Blue Devils to victory in the 3200 relay.

Class D

And that might not be all Wynot gets on the weekend.

Also Friday, Lauer competed in the long jump. And today (Saturday), Heine will compete in the high jump, and Cortney Arkfeld will run in the 400-meter dash and 800-meter run finals.

Wynot will also run in the 1600-meter relay, with sophomore Carissa Kuchta joining Heine and the Arkfeld sisters.

That's why Friday's 3200 relay title meant so much, Heine said, it kick-started the momentum.

"It definitely means a lot," Heine said. "It shows what we can do."

"We plan to keep this going."

The other major story among Class D area athletes was the Wausa boys' team.

The Vikings were looking to make a run at a state championship, depending on how senior Austin Hegge would do in his four events.

Although Hegge qualified for today's finals with the best times in the 100-meter dash (11.18) and 200-meter dash (22.7), he finished fifth in the triple jump (41-8.25).

"I'm pleased with my 100 time," he said. "I'm planning to defending my title there."

Hegge, who won three individual titles last year, will also compete today in the long jump — he is seeded third.

Wausa had other opportunities Friday to score team points, but Kyle Kleinschmit didn't advance out of prelims in the 110 hurdles or 300 hurdles. And Nick Story tied for 18th place in the high jump.

"We could still get second place," Hegge said.

The APR provides a real-time look at a team's academic success each semester by tracking the academic progress of each student-athlete on scholarship. The APR accounts for eligibility, retention and graduation and provides a measure of each team's academic performance.

A record total of 25 Summit League teams, with representation from all nine member institutions, were recognized.

This announcement is part of the overall Division I academic reform effort and is intended to highlight teams that demonstrate a commitment to academic progress and retention of student-athletes by achieving the top APRs within their respective sports.

Track & Field: Coyotes Qualify In 17 Events For NCAA West Preliminaries

VERMILLION — South Dakota track and field advances 14 athletes in 17 events to the NCAA West Preliminary Round scheduled for May 28-30 at Mike A. Myers Stadium in Austin, Texas. The meet is the qualifying round for the NCAA Outdoor Track and Field Championships on June 10-13.

The Coyotes have increased the number of events they qualified in, up from 15 a year ago. The top 48 declared athletes in each event qualified for the regional meet while the top-12 finishers from each individual event will move on to the championships in Eugene, Ore.

Seniors Megan Glisar and Cody Snyder have previously advanced out of the preliminary round. Glisar is a returning two-time All-American in the high jump. She ranks fifth in the NCAA West with a mark of 6 feet, ¾ inch. Glisar is scheduled to jump at 6 p.m. Saturday.

Snyder advanced to the final round of the discus in 2013 before redshirting last spring. He ranks third in the discus with a career best of 194-6. Snyder also qualified with the 42nd-best shot put mark of 57-5. He will throw the discus at noon Thursday and the shot put at 6 p.m. Friday.

Juniors Analisa Huschle and Amber Eichkorn have also qualified in two events.

Huschle's long jump of 19-11 ¾ ranks 27th. She also qualified in the 200 meters, ranking 46th with a time of 23.95 seconds. Huschle jumps at 6 p.m. Thursday and runs the first round of the 200 at 8 p.m. Friday. Should she advance out of the initial round of 200s on Friday, she will race in the quarterfinals at 7:35 p.m. Saturday.

Eichkorn will run both the 5,000 and 10,000 meters. Her 10,000-meter time of 34:12.98 places her 27th in the NCAA West. Eichkorn also clocked a career best 16:16.48 en route to winning the Summit League 5,000-meter title, which ranks her 27th in the region. Eichkorn races the 10,000 at 9 p.m. Thursday and the 5,000 at 8:05 p.m. Saturday.

South Dakota also advances five pole vaulters.

Junior Hunter Wilkes and sophomore Emily Brigham will represent the women when they vault at 1 p.m. Friday. Wilkes and Brigham are tied for 22nd in the region with a height of 13-7 ¾.

Freshman Jake David, senior Kevin Sarekhani and junior Peter Chapman all qualified for the men and compete at 1 p.m. Saturday. David leads the trio, ranking 22nd with his mark of 17-4 ¾. Sarekhani is tied for 33rd at 17-1, while Chapman is tied for 36th at 17-0 ¾.

In the 400-meter hurdles, seniors Lukas Bernard and Erik Hill ran qualifying times at the Summit League Championships. Bernard clocked 51.87 seconds to rank 35th, while Hill ranks 45th at 52.10. The duo competes initially at 5 p.m. Thursday with the potential to advance to the quarterfinals at 7:45 p.m. Friday.

Sophomore Danielle Waldner returns for the second time in as many years for the shot put. Her throw of 50-0 ranks 42nd. Waldner throws at 6 p.m. Saturday.

Junior Katie Wetzstein's 1,500-meter time of 4:22.62 ranks 30th in the region. Her first race is scheduled for 5:30 p.m. Thursday with the quarterfinals to be held at 6:30 p.m. Saturday.

Sophomore Mach Dojok qualified in the 800 meters with a time of 1:50.16, which ranks 47th. He races at 8:35 p.m. Thursday and the quarterfinals are scheduled for 7:15 p.m. Friday.

There are five other Coyotes that have qualified in the past, but they are currently redshirting the outdoor season and return in 2016.
