Teslow Earns Second-Team All-Summit For USD

ELMHURST, Ill. — The Summit League announced its women's soccer all-league awards winners at the annual banquet Thursday evening. Fort Wayne, North Dakota State and Oakland led the way with a total of four recipients each on the first and second teams.

The league's top awards went to Oakland's Kyla Kellermann and Kara Weber as the Offensive and Defensive Players of the Year, respectively. Western Illinois' Laura Atkinson won the league's first-ever Goalkeeper of the Year award, while South Dakota State's Diana Potterveld was named Freshman of the Year and Fort Wayne's Margaret Saurin was voted the Coach of the Year.

Potterveld, who scored the first SDSU hat-trick since 2004, was the only freshman named to the first team. She

scored eight goals, the most for an SDSU forward in a single season since 2008, and registered 19 total points. Potterveld scored the game-winning goal in SDSU's final three games this season, all versus conference opponents. It was the first time in school history that one player scored three-straight game-winning goals. Her 10 points in a three-game span are the most since Jennifer Briggs recorded 15 points in a three-game span in 2003. She scored 12 of her 19 points in the final five regular season games. Potterveld earned Offensive Player of the Week recognition for her performance Oct. 26.

It is the first time in school history that a Jackrabbit soccer student-athlete was named Newcomer/Freshman of the Year and the first time that a SDSU freshman earned first team honors.

Christa Nyblom, who also earned first-team honors for SDSU, played the middle of the field and started all 17 games for the Jacks. She scored four goals and assisted on four more for 12 total points. Thanks to her one goal, one assist regular season finale, the 2012 team captain moved into 10th on the SDSU career scoring leaderboard. SDSU's Dani Patterson and USD's Jenny Teslow earned all-league honors as a second-team honoree.

Teslow, a junior forward from Sioux Falls, started all 18 games for the Coyotes, scoring five goals (including one game-winning goal) and adding one assist.

Teslow has been a consistent offensive threat since stepping on campus three years ago. As a sophomore in 2011 she scored four goals and three assists after scoring eight goals as a freshman. Her 17 career goals are tied for seventh in USD history and her 40 points place her eighth.

Patterson started every game for the Jackrabbit defense. She assisted on three goals this season, including

one in the regular season opener, a 2-0 win at Green Bay. Patterson attempted nine shots this season, including five on goal for a shots on goal percentage of .556. Patterson earned Defensive Player of the Week for her performances Oct. 15-21.

Patterson also earned all-league freshman team honors.
