

### USD To Host Traveling Holocaust Exhibition

VERMILLION — University Libraries at the University of South Dakota will host "Deadly Medicine: Creating the Master Race," the United States Holocaust Memorial Museum's traveling exhibition through Jan. 6, 2013. This exhibition, which is free and open to the public, will be located on the second floor, west side of the Libraries.

"Deadly Medicine" examines how Nazi leaders used science to help legitimize persecution, murder and genocide. From 1933 to 1945, Nazi Germany carried out a horrific campaign to "cleanse" Germany of people viewed as biological threats to the nation. Enlisting the help of physicians and other medically-trained scientists, the Nazis developed racial health policies that started with the mass sterilization of "hereditarily diseased" persons and ended with the near annihilation of Jewish Europeans.

University Libraries is developing sixth through 12th grade curriculum opportunities for the exhibition, providing hands-on activities in history, social studies, languages and language arts that support South Dakota Common Core standards. The South Dakota Humanities Council, an affiliate of the National Endowment for the Humanities, has provided support for programming accompanying the "Deadly Medicine" traveling exhibition, including lectures by two USD humanities scholars, Carol A. Leibiger, PhD, and David I. Burrow, PhD.

Leibiger's lecture, "Of Foxes and Poisonous Mushrooms: Julius Streicher and German Children's Literature in Support of National Socialist Racialist Politics," is at 7 p.m. on Nov. 6 and at 3 p.m. on Nov. 8. Burrow will present his lecture, "Eugenics and the Nazi Conscience," at 3 p.m. on Nov. 13 and at 11 a.m. and 7 p.m. on Nov. 15. Both lectures, which are free and open to the public, will be at the USD University Libraries, second floor atrium.

"Deadly Medicine" is made possible with support from The David Berg Foundation, the Dorot Foundation, the Blanche and Irving Laurie Foundation, and the Lester Robbins and Sheila Johnson Robbins Traveling and Special Exhibitions Fund established in 1990.

# Eucharistic Miracles Exhibit Coming To Tyndall

TYNDALL — The Eucharistic Miracles of the World exhibit will be on display from Saturday, Nov. 10, through Sunday, Nov. 18, in the dining hall of the Fr. Cronin Memorial Center at St. Leo Parish in Tyndall. A full schedule of exhibit times follows this article.

Earl Markley, one of those involved in bringing the exhibit to the Sioux Falls Catholic Diocese, hopes that each of the 150 parishes will decide to bring the exhibit to be displayed in their churches. The exhibit, which made its debut at St. Nicholas Catholic Church in Tea, features information about 126 Eucharistic miracles approved by the Church. The miracles portrayed in the exhibit occurred in 17 countries. The miracles affirm the Catholic belief that the bread and wine consecrated at Mass become the real Body and Blood of Jesus Christ, not simply a representation. That is why we call it the

Blessed Sacrament.

Bishop Paul Swain of Sioux Falls has expressed his support for and appreciation of the exhibit. In a letter to the people of the diocese, Bishop Swain indicated that Father John Hardon, SJ, began the Real Presence and Adoration Association to promote worship of the Blessed Sacrament. The Association assembled a display of historical information that chronicles the miracles associated with faith in and worship of the Blessed Sacrament. The exhibit traveling through the Diocese of Sioux Falls is a reproduction of that display. Bishop Swain stated that members of the Sioux Falls Diocese, including James Koenig of Tyndall, had taken it upon themselves to reproduce the exhibit and make it available for display in parishes throughout the Sioux Falls Diocese.

The exhibit, though centered in Catholic

faith and belief, is open to people of all faiths. Those wishing information about the local display of the exhibit may call 589-3504. Anyone who would like more information about the exhibit may contact Earl Markley at 605-214-1620 or may visit the website [www.eucharisticmiraclesexhibit.com](http://www.eucharisticmiraclesexhibit.com).

Here is the daily schedule:

Saturday, Nov. 10 — 6:30-9 p.m.  
Sunday, Nov. 11 — 9 a.m.-8 p.m.  
Monday, Nov. 12 — 3-8 p.m.  
Tuesday, Nov. 13 — 3-8 p.m.  
Wednesday, Nov. 14 — 3-9 p.m.  
Thursday, Nov. 15 — 3-8 p.m.  
Friday, Nov. 16 — 3-8 p.m.

Times of Eucharistic Exposition and Adoration will be included in a separate schedule.

## A LESSON IN DEMOCRACY

Ava Koller, a first grade student, casts her ballot during a mock election held Tuesday morning at Stewart Elementary School in Yankton. According to school officials, President Barack Obama won the presidential race against Republican Mitt Romney, and Rep. Kristi Noem won in her House match-up with Democrat Matt Varilek. In related news, a recent mock election at Beadle Elementary School resulted in a narrow Romney win, with 124 votes compared to Obama's 114 votes.

# Area Voters Elect County Officials Tuesday

BY RANDY DOCKENDORF  
[randy.dockendorf@yankton.net](mailto:randy.dockendorf@yankton.net)

The number of area county races was relatively light, but the races produced a number of notable outcomes.

The follow are results that were available at press time.

CHARLES MIX COUNTY: Using a late surge, Republican challenger Tom Deadrick of Platte defeated Democratic incumbent Pam Hein of Lake Andes for Charles Mix County state's attorney.

Deadrick, a Platte attorney and former state representative and South Dakota Secretary of State candidate, won the Charles Mix

state's attorney race by a 1965-1736 margin. Deadrick formerly served as a state representative and was House Speaker in the Legislature. In 2010, he unsuccessfully ran for the Republican nomination as South Dakota Secretary of State at the GOP state convention.

The election had drawn regional and statewide attention because the two attorneys were involved in a high-profile case in Charles Mix County.

CLAY COUNTY: County commissioners were selected for three at-large seats. Winning the positions were Democratic incumbents Leo Powell of Vermillion and Raymond "Dusty" Passick of Burbank with a

respective 2,814 and 2,498 votes, and Republican newcomer Travis Mockler of Centerville with 2,412 votes.

The other two candidates were Democrat Ruth Bremer of Vermillion with 2,261 votes and independent Stanley Peterson of Vermillion with 972.

A new commissioner was guaranteed, as incumbent Jerry Wilson did not run for re-election.

Bremer, the current Clay County auditor, did not run for re-election in that position and will retire after eight years.

KNOX COUNTY, Neb.: A new face will represent the Wausa, Neb., area on the Knox County

Board of Supervisors.

In the race for Supervisor 6, challenger Danny Schlote defeated incumbent Steven Banks 319-278.

In a ballot measure, Verdigre, Neb., voters passed an increase in their city sales tax by a 158-101 margin. The measure, which required a simple majority vote, means the sales tax will increase by a half-cent, to 1.5 percent on sales covered by the tax.

# Obama

From Page 1

publicans were on track to do likewise in the House.

Romney was in Massachusetts, his long and grueling bid for the presidency at an unsuccessful end.

The two rivals were close in the popular vote.

Romney had 45.2 million votes, or 49 percent. Obama had 45 million, also 49 percent, with 65 percent of precincts tallied.

But Obama's laser-like focus on battleground states gave him the majority in the electoral vote, where it mattered most. He had 284, or 14 more than needed for victory. Romney had 200.

Yet to be settled were battlegrounds in Florida, Virginia and Nevada.

The election emerged as a choice between two very different visions of government — whether it occupies a major, front-row place

in American lives or is in the background as a less-obtrusive facilitator for private enterprise and entrepreneurship.

The economy was rated the top issue by about 60 percent of voters surveyed as they left their polling places. But more said former President George W. Bush bore responsibility for current circumstances than Obama did after nearly four years in office.

About 4 in 10 said the economy is on the mend, but more than that said it was stagnant or getting worse more than four years after the near-collapse of 2008. The survey was conducted for The Associated Press and a group of television networks.

Democrats got off to a quick start in their bid to renew their Senate majority, capturing seats in Indiana and Massachusetts now in Republican hands.

In Maine, independent former Gov. Angus King was elected to succeed retiring GOP Sen. Olympia Snowe. He has not yet said which party he will side with, but Republicans attacked him in television

advertising during the race, and Democrats rushed to his cause.

Polls were still open in much of the country as the two rivals began claiming the spoils of a brawl of an election in a year in which the struggling economy put a crimp in the middle class dreams of millions.

The president was in Chicago as he awaited the voters' verdict on his four years in office. He told reporters he had a concession speech as well as victory remarks prepared. He congratulated Romney on a spirited campaign. "I know his supporters are just as engaged, just as enthusiastic and working just as hard today" as Obama's own, he added.

Romney reciprocated, congratulating the man who he had campaigned against for more than a year.

Earlier, he raced to Ohio and Pennsylvania for Election Day campaigning and projected confidence

as he flew home to Massachusetts. "We fought to the very end, and I think that's why we'll be successful," he said, adding that he had finished writing a speech anticipating victory but nothing if the election went to his rival.

But the mood soured among the Republican high command as the votes came in and Obama ground out a lead in critical states.

Like Obama, Vice President Joe Biden was in Chicago as he waited to find out if he was in line for a second term. Republican running mate Paul Ryan was with Romney in Boston, although he kept one eye on his re-election campaign for a House seat in Wisconsin, just in case.

Voters also chose a new Congress to serve alongside the man who will be inaugurated president in January, Democrats defending their majority in the Senate, and Republicans in the House.

Thank You for your support.

### Donna Wegleitner

LAKE CITY — Donna (Oland) Wegleitner, a longtime Lake City, SD area resident, passed away Friday, November 2, 2012, at the Tyndall Good Samaritan Center in Tyndall, SD. She was 74 years of age. A private family funeral is being planned.

The Price Funeral Chapel of Britton has been entrusted with her arrangements.

Donna Berdell Oland was born August 26, 1938 on the family farm near Veblen, SD to Casper and Mabel Helena (Morstad) Oland. As a youngster, she grew up there and attended rural Marshall County schools. She graduated from Veblen High School.
