Yankton High School seniors Mikala Hora and Kelsey Fitzgerald have been selected for the Eastern South Dakota All-Conference volleyball team. An honorable mention her freshman year, this is Hora's third year as a member of the first team. Fitzgerald was an honorable mention last year and is a member of the first team this year.

To be selected for the team, players must have enough votes from opposing coaches in ESD. Each coach has 12 votes, but cannot vote for their own team members.

Yankton head coach Leasa Woodward said it was no surprise to have Hora and Fitzgerald selected.

"Looking at each player in the conference, it was a no-brainer that those two were both voted as all conference players," she said. "They were the leaders on our team and they were the two players the opposition knew they had to stop if they were going to beat us. They definitely earned a lot of respect from other coaches and players around the conference the last four years."

For Hora, being recognized is a process she worked for throughout the entire season, although she said she wasn't always thinking about it.

"You work really hard to be there," she said. "Just to be recognized by people in ESD

# Washington Wins Again

Strong Second Half Lifts Warriors To Third Title In Four Years

BY CHRIS RILEY

VERMILLION — For a team that is not used to having its starters play much beyond half-time in most games, Washington was surprising clutch late in the second half as the Warriors outscored Brandon Valley 21-0 over the final 13 minutes to come from behind for a 35-20 victory over the Lynx in the Class 11AA title game in Vermillion on Saturday night.

The fans who packed the DakotaDome for the anticipated showdown between the pair of high-scoring unbeaten teams were not disappointed, as both teams showed why they were the class of the 11AA field all season long.

With the win, Washington (12-0) claims its third state championship in four seasons - all three with perfect records. Brandon Valley finishes 11-1 after returning to the Dome for the first time since their 1998 crown.

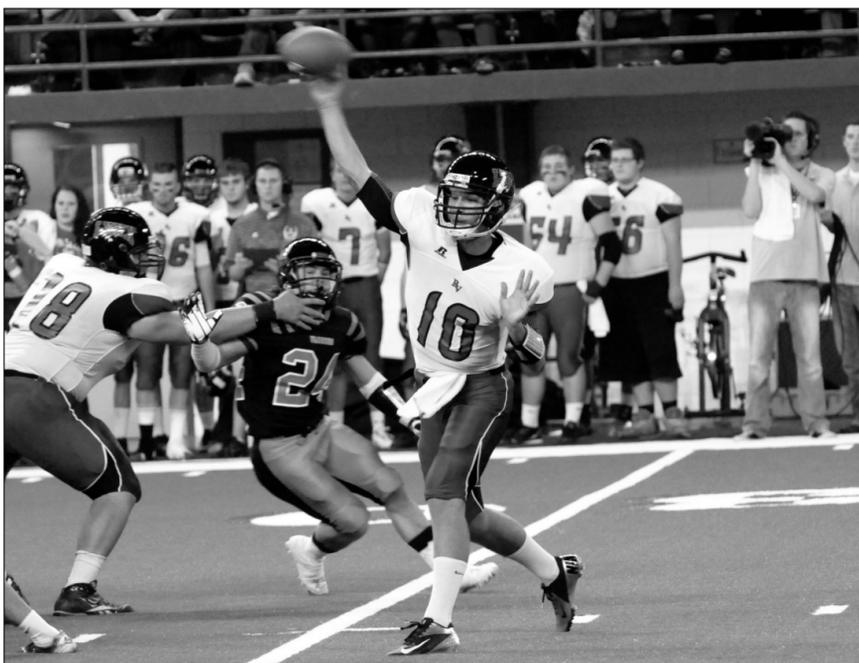

Aside from a 27-20 win over Pierre on September 28, where the Warriors committed six turnovers, Washington had not defeated a team by less than 24 points coming into the championship game. In most of those previous contests the Washington starters were out of the game by the end of the third quarter. Saturday, that is when the Warriors finally came alive and put the Lynx away.

"We're not used to playing the whole four quarters so to play four quarters against a very good opponent was really fun," Washington WR/DB Nate Gerry said. "(Brandon Valley) is a great team and we wanted to play against the best."

While the action was slow to start, once each team got warmed up they showcased how they combined to beat opponents by a total of 966-183 this season - with each roster featuring scoring threats from all over the field.

Following a scoreless first quarter, Washington junior Danny Marlette capped off an 80-yard drive with a touchdown run from the Lynx nine yard-line early in the second period to give the Warriors an 7-0 lead.

The Lynx answered right back with an 11-play, 91-yard drive that ended with a 27-yard strike from

# Cedar Catholic Girls Celebrate Class C-2 Title

BY EMILY NIEBRUGGE

GRAND ISLAND, Neb. — Before Saturday, the last time Hartington Cedar Catholic won a state championship was in 1989 against Burwell as a C1 school. This year they faced Lutheran High Northeast, C2 state champions the last two years in a row, in a battle for the state title.

Cedar Catholic was able to claim the state championship title against Lutheran High Northeast in four sets, 25-15, 14-25, 25-14, 25-22, in spite of losing twice against them earlier in the season.

Head coach Adam Kuntz said he expected some resistance from Lutheran High because they have performed so well the last few years, but his team did exactly what they set out to do.

"(Lutheran High) knew how to react; they knew how to stay composed. They had a game plan — they always do," he said. "I expected a little resistance, and a little push there at the end made it a little more fun. Our team did exactly what a state champion should do. They never quit."

Senior Emily Schrempf said her and her teammates wanted to win in three sets, especially since they only played five sets once throughout the season.

"The first set we definitely came out and put it to them because we knew we wanted to start out strong," she said. "That second set we fell off a little bit, and in the third set we knew we had to get it back and get rolling to have that four set sweep instead of going for five sets."

"The only five set game we've gone through this season was against Norfolk Catholic, so we really didn't want to go for that fifth set. If we would have gone for five we might have slowed down a little bit and slipped, but I think we would have powered through and still won the game."

Kuntz said Lutheran High was more efficient during the second set, but Cedar Catholic was able to regain control to power through and win the match.

"I told the girls we couldn't give away four or five runs at a time," he said. "Each girl had to go out there and get about two serves and we needed to get the ball on our side. Lutheran High did a great job, but our kids responded exactly how I wanted them to. They didn't get riled too much and they really took control of the rest of the match."

For the night, Carly Noecker recorded 10 kills, one assist and one block. Schrempf made 46 assists, two kills and one block, Siera Becker had 11 kills and three blocks and Katelyn Dicks contributed 11 kills, three blocks and one assist. Lexi Steffen added 11 kills and seven blocks and Bailey Steffen put up six kills, two blocks and one assist.

For Lutheran High, Morgan Sunderman had 14 kills and six blocks, while Morgan Uhrig made 11 kills and one block. Megan Gebhardt put up 26 assists, four kills, three blocks and two aces and Kelsey Sunderman recorded four kills and one ace. Mandi Uecker also contributed seven assists, three kills and one block.

Looking back on the season, Kuntz said it was great to see his team reward their hard work
