 We offer a program that will help you achieve great success, both men and women, where the demand for employees is greater than the number of applicants!!

Join our team and enjoy small classroom sizes which means more one on one training for you. We use PTDI's (Professional Truck Driving Institute) standards for our teaching and utilize JJ Keller training materials. We have a large training yard with a newer model tractor and 53 foot trailer that you use to train and to take your test right here in Yankton.
