It is the policy of the Press & Dakotan to publish all names made available in the police and court reports. There are no exceptions.

#### 75 YEARS AGO

Saturday, November 27, 1937  
 Santa Claus may be working like a beaver in his toy shop 'way up in the frozen north, but he'd never get all the Christmas stockings filled without help from fire and police station "sub-workshops." Big, tough cops and fire laddies in many cities are accommodating clumsy fingers to the delicate task of renovating dolls, trains, teddy bears and tricycles of yesteryear to gladden the hearts of needy children whom Santa might forget. In Yankton the Legion is collecting old toys and WPA workers are renovating them.

#### 50 YEARS AGO

Tuesday, November 27, 1962  
 Among several items of important business transacted at the Monday evening meeting of the Yankton city commission was authorization to call for bids on a sewage treatment plant here, with the letting scheduled for Thursday evening, December 20.

Yankton's third and last Sabin oral polio clinic, for people of Yankton and surrounding territory, will be next Sunday, December 2.

#### 25 YEARS AGO

Friday, November 27, 1987  
 John Halsted, Utica, soars higher than most kids his age. (He) on his first

solo flight, took to the air over Yankton. The 16-year-old pilot recently flew alone for the first time, after completing all the prerequisites of instruction, including turning 16 years of age.

Attending the Thanksgiving family dinner of Christ the King Lutheran Church at the National Guard Armory recently were four individuals, who are direct descendants of Pilgrims, who came to America on the Mayflower in 1620. They are JoAnn Mallette and Carl Wright, descendants of William Brewster, who was the religious leader on the Mayflower and the Plymouth Colony. Emilie Elizabeth Haigh are direct descendants of Mary Chilton, who is reported to be the first person to go ashore from the Mayflower.

Brought to you by  
 COALITION FOR A DRUG-FREE YANKTON

Gather your family around the table. National Family Week is observed annually Thanksgiving week. Compared to teens who have frequent family dinners (five to seven per week), those who have fewer than three family dinners per week are almost four times likelier to use tobacco; more than twice as likely to use alcohol and almost four times likelier to say they expect to try drugs in the future.
