Women's Golf: Mingo, Bormann Headed To Augustana

SIOUX FALLS — Augustana women's golf head coach Peggy Kirby announced Wednesday the signing of two student-athletes for the 2013-14 season. Jordan Bormann of Parkston and Megan Mingo of Yankton have both signed letters of intent to continue their athletic and academic careers at Augustana.

Bormann, will graduate from Parkston High School in 2013 as a six-year letterwinner on the golf team. She earned all-state honors as a freshman and junior and finished in the top 10 at the State A High School Championships four times during her career. Bormann was a member of two state runner-up teams and won the South Dakota Golf Association Junior Championship this past summer.

"Jordan has a tremendous work ethic and practices very hard," Kirby said. "She has a great passion for the game and plays with a lot of enthusiasm and energy on the golf course."

Mingo, will graduate from Yankton High School in 2013 as five-

time letterwinner on the women's golf team. She has been named all-conference and all-state three times in her career and has recorded four top-20 finishes in the state tournament, including three top-5 finishes. Mingo has been named the South Dakota Golf Association Junior Female Golfer of the Year three times.

"Megan is a very good player, has a great attitude for the game and has had a very successful high school career," Kirby said. "We are excited to have two of the best players out of South Dakota and both Jordan and Megan will be huge assets to Augustana's golf program."

Augustana concluded the fall portion of its 2012-13 schedule in October winning four of seven tournaments. The Vikings held a 50 stroke lead in the Northern Sun Intercollegiate Conference Championships with a two-round record of 646. Rounds 3-4 of the NSIC Championships will be held April 20-21.

Beresford's Johnsen, Three Others Sign With USF
