Medicare Part D Annual Enrollment — Time To Check Your Coverage

BROOKINGS — The annual enrollment period for Medicare Part D is here. Participants have until Dec. 7 to make any changes, explained Carrie Johnson, SDSU Extension Family Resource Management Specialist. If a new plan is chose, it will take effect on Jan.

Johnson said that prior to Sept. 30 all participants should have received an annual notice of change and evidence of coverage documents from their current plan provider.

"Make sure to review these documents very carefully as they outline the plan changes made for the 2014 year," Johnson said.

When reviewing the Medicare Part D forms, Johnson said participants should pay close attention to the following information:

- Look to see if the monthly premium and/or deductible have changed.
- Check your new co-payments for the drugs you are on to see if they have been modified.

"By visiting the site, participants will be shown the best options for their situation. It doesn't hurt to just run the numbers to see if making a change can save money in the long run," she said. "If they decide not to make any changes, they can just keep their current plan and do nothing.

2014 BRINGS CHANGES

 The out-of-pocket threshold will decrease from \$4,750 to \$4,550.
