Mead Update

PHOTO: DAKOTA TERRITORIAL MUSEUM
With winter trying to move into Yankton, the work crew at the Mead Building has been busy trying to fill gaps and cover windows missing glass. So far, the weather hasn't stopped the work inside the building. Demolition of the center hallway bathrooms is done and workers are focusing on wall demolition on the first floor west wing. Committee members are working to create a Mead Building Project website to help keep everyone updated on progress. On this website you will be able to make contributions, see work completed and take a virtual tour of the building. If you like youtube.com, there are several clips about the Mead Project available to see. If you have questions about the Mead Project or the museum, please stop by and see us at the Dakota Territorial Museum, 610 Summit Street (in Westside Park) or like us on Facebook.
