

'Imagine Peace'

SUBMITTED PHOTO

The sixth grade students at YMS competed in the Peace Poster contest sponsored by the Yankton Lions Club and the International Lions Club. The theme of the contest this year was "Imagine Peace," and each student was asked to draw a picture of what that meant to them. Each student turned in a poster and the winners were chosen by the Lions Club. Third place went to Jaiden Boomsma (left), second place to Brooke Goeden (center), and first place to Lauren Bruening. The winning poster moves on to the district level of the competition.

Lint No Threat To Engine

BY TOM AND RAY MAGLIOZZI
 King Features Syndicate, Inc.

Dear Tom and Ray,
 Can I check my oil with a paper towel or an old towel, or is it best to use a shop towel? I'm wondering if the lint from paper towels affect the oil's protective qualities. — Joan

TOM: No. I mean, if you throw the whole roll of paper towels into the engine, you might have a problem.

RAY: Or if you were wiping off the dipstick by dipping it in a box of cat litter.

TOM: But a tiny bit of lint from a paper towel or a cloth towel won't hurt anything.

RAY: The engine has an oil filter, and anything large enough to cause any trouble is quickly trapped by that filter and taken out of the system.

RAY: So you can check your oil with a pure heart, Joan. And with the Quicker Picker-Upper, if you like.

What's the best way to warm up your engine in the morning? Find out by ordering Tom and Ray's pamphlet "Ten Ways You May Be Ruining Your Car Without Even Knowing It!" Send \$4.75 (check or money order) to Ruin, P.O. Box 536475, Orlando, FL 32853-6475.

United Way Of Vermillion Joins #GivingTuesday National Event

VERMILLION — United Way of Vermillion is joining #GivingTuesday to inspire people to take action to improve their communities and give back to help create a better world for everyone. On Dec. 3 — the Tuesday after Thanksgiving — #GivingTuesday will once again leverage social media to create a national movement dedicated to giving, just as Black Friday and Cyber Monday have been positioned to be synonymous with holiday shopping.

#GivingTuesday began last year, harnessing the collective power of its partners — nonprofits, businesses and individuals — to transform how people think about, talk about and participate in giving.

United Way is asking donors, partners and volunteers that are part of the United Way movement around the world to join #GivingTuesday. Everyone can find a way to give back — by giving, advocating (raising your voice to spread the word), and volunteering.

United Way of Vermillion is planning a number of activities for the day, including a social media promotion around giving and volunteerism on campus, recognition of campaign donors, and giveaways. Volunteers will be helping folks who stop by the United Way table in the Muenster University Center take "Unselfies" — pictures of themselves with a sign expressing how they plan to give back to their community. Anyone who tags themselves in their Unselfie on United Way of Vermillion's facebook page (http://facebook.com/UnitedWayofVermillion/), as well as all donors whose contribution is received by Dec. 3, will be eligible for prize drawings throughout the day.

"We're really excited about this event," said United Way intern and University of South Dakota senior Drew Vance. "We think it will be a great way to wrap up the United Way campaign and highlight the importance of giving — whether that means giving time or money."

For more details about the movement, visit the #GivingTuesday website (www.givingtuesday.org/), Facebook page (https://www.facebook.com/GivingTuesday), or follow #GivingTuesday (https://twitter.com/GivingTues).

United Way of Vermillion improves lives by mobilizing the caring power of the community through focus on education, income, and health. For more information about United Way or to make a donation, visit http://www.unitedwayofvermillion.org.

We'd like to thank the Siouxland Blood Bank for all the units of blood and platelets that Art required. For anyone that has ever donated blood, you have no idea what a blessing it is for those in need. Our hope is this encourages others to donate.

We thank Dr. Neumayr at Yankton Medical Clinic and the infusion center at YMC, especially Radar and Robot (you know who you are). Our thanks also to Dr. Beth Mikkelsen at Sacred Heart and for the great nursing care Art received there. Our appreciation also goes to Dr. Jonathan Bleeker at Sanford Clinic in Sioux Falls who helped guide us through this journey.

To our church family at Trinity Lutheran we thank you for your support and the wonderful lunch you served. Our thanks to the staff at Wintz & Ray Funeral Home for your compassionate service and also to the Ernest-Bowyer VFW Post 791 for the military rites.

And lastly, to all our friends we offer our gratitude for your emotional support, the wonderful food you shared and all of your prayers and well wishes.

Art fought the good fight and felt your love and caring throughout.
