

Test Drive The New ReSound LiNX² FREE. Nov. 18 - 20

- Natural sound that gets the highest marks from the people who know best – people just like you.¹
- Small, slim design that fits so comfortably you may not even remember it's there.
- Durable, water-resistant technology so you can wear your hearing aids while doing the things you love.

¹ 2013 Benchmark test was designed and carried out by DELTA Senselab, Hoersholm, Denmark, an independent laboratory specializing in performing listening tests in a variety of domains.
